This aint the property of the  
State of Texas - so write on  
any damn page you like

Good luck to  
"Miss" Borders.  
Bob Garland

Donald,  
To good friend and debator.  
Through the years I will remember  
you bright and shining face???  
Here from a friend who'll get  
you in the end.

Sincerely  
Jordan Beckman

Dear Don,  
well this  
is your last year here.  
I certainly has been  
great knowing you. I  
wish you all the happiness  
in the world -  
Good luck always to  
a deserving guy  
K. Garrison

signature

# Autographs

To a real nice guy.  
I didn't think I could like  
Mr. West's son so much.  
But I do - yam yam  
Don Swenke

Lots of Luck  
Pokey Schell

Dear Don,  
It has been nice  
knowing you in times.  
I hope you will always  
have a lot of everything.  
Be good. May the  
Blessings

Don, I  
to a great guy for  
with a knack for  
getting along with people  
you know I really can't  
what I think of you  
public to see.

Best Wishes +  
Good Luck.  
Janan Johnson

Don,  
You're a swell fellow  
and good with the wise  
crack. May you have the  
best of everything.  
Marshall Hancock

Best of Luck!  
R.D.

Best Wishes & Good Luck  
to a swell guy!  
Bill James

Best wishes to a  
swell guy.  
Way Tonalillo

Don -

You're sweet and I  
think so much of you.  
Stay sweet & happy  
at Rice

Your friend -  
Dorinda Brown

Don -

You're a real guy -  
They say to say something  
nice and these so really  
I like you much - Be  
Good - if possible -  
Be sweet -  
Your friend  
Honey Hunt

Don

It has just be wonderful  
to know you these few  
years. Stay as nice  
as you are. I wish  
you all the luck in  
the world.

A friend  
Barbara Campbell

Dear Don,  
You are  
a swell boy  
with a wonderful  
personality. Best wishes  
Barbara  
Hedson

# THE DAISY CHAIN

*Borders*

**WACO HIGH SCHOOL  
1956**

# Theme

of the Graduate

My HERITAGE, drawn from historic wells  
Of living waters, a story tells:

I didn't just happen to be this way  
In a land of freedom in which to play—  
But back in my past men worked and died  
To leave me the freedom they were denied.

What heartache and sacrifice are behind  
All the hours I use as if they were mine?  
What right do I have, that I should not work?

I am an American! I will not shirk  
My part in the splendid Labor of Love  
In this splendid world—  
Dear God above!

My theme as I leave  
Is a prayer and a pledge—  
A pledge that's a prayer.

Waco High's made it clear  
Day after day  
Through her work and her play  
That only a land like ours  
Is free from fear.

As I leave these halls, I pledge to live  
The American Way,—*I must*,—  
And pass on to the ones I love  
This Way of Life I hold  
In trust.

# DEDICATION

The Editors dedicate this  
1956 DAISY CHAIN  
with affection and admiration

to

MISS RUTH JEAN HAMILTON

whose sponsorship of this and many past issues  
has helped place the Waco High School annual  
in the highest-rating class of school yearbooks, and  
whose personal good judgment, good humor,  
and high ideals have spurred the editors to top  
accomplishments.

MISS RUTH JEAN HAMILTON

Teacher of English

Sponsor of Daisy Chain Editorial Staff

# BOARD OF EDUCATION

Front Row: Mr. Dossett, Mr. Anderson, Mr. Williams, Mr. Taggart, Mr. Downing  
Back Row: Mr. Smith, Dr. Dudgeon, Mr. Darden, Mr. Crews, Mr. Dennard

The members of the Board of Education of the Waco Independent School District are Mr. Walter B. Dossett, President; Dr. Howard Dudgeon, Vice-President; Mr. J. E. Crews, Secretary-Business Manager; Mr. Vic Anderson, Mr. William Darden, Mr. Franklin Smith, Mr. Pat Taggart, and Mr. Peeler Williams, Jr.

A Building Committee is responsible for the construction of new schools and for additions to the buildings now in use. Members of this committee are Mr. Smith, Chairman; Mr. Darden and Dr. Dudgeon.

A Site Committee is responsible for securing the necessary land for school additions. Serving on this committee are Mr. Williams, Chairman; Mr. Anderson and Mr. Taggart.

The board is very proud of their new administration building at 34th and Waco Drive. The building, completed this year, has offices for the administrative staff of the Waco Public Schools. It also has a library, auditorium, cafeteria, visual education room, child accounting room, film room, and store rooms.

Last year two new schools were dedicated in Waco. A new bond issue makes possible continued improvements. The Board plans to build two new junior high schools and one new elementary school in the immediate future.

The Board has spent much time considering plans to better Waco's school facilities. As pupils in one of these schools, we are grateful to these men who have given so generously of their time in our behalf.

MR. E. N. DENNARD, *M. A.*  
*Superintendent of Waco Independent*  
*School District*

To the Seniors—

Like discipline, the most effective counsel comes from one's self. If you can measure up to your own best expectations, you shall have the approval and commendation of others.

*E. N. Dennard*

MR. A. R. DOWNING, *M. A.*  
*Assistant Superintendent of Waco Independent*  
*School District*

To the Seniors—

It is astounding to witness the energy and time that the high school citizen will devote to improving his or her school if given the chance and the leadership.

Happy indeed are the parents and teachers of you who gather and analyze facts and then translate judgments into action.

Hats off, then, to the Seniors who have worked to make Waco High School the best school anywhere.

*Avery R. Downing*

MR. THOMAS L. WARE, M. A.  
*Principal of Waco High School*

Dear Seniors—

Congratulations to you as members of the Graduating Class of 1956!

Although you are reaching your goal and are making your dreams come true, new spheres of endeavor lie ahead.

It is our sincere wish that you go forward with unfaltering courage and a faith which will surmount every impending obstacle.

To this end we wish you success and happiness in the plans you most cherish.

*Thos. L. Ware*

MISS GRACE HAMILTON, M. A.

MR. CARL PRICE  
*Head Coach*

Strong in spirit and determination but weak in experience the 1955 Waco Tigers were a "hot-and-cold" ball team. The Tigers played their final games as members of the present district with a team on which juniors and sophomores far outnumbered the seniors. Thus they failed to defend the district titles they had won in 1953 and 1954.

The Tigers began the season in fine style, winning their first four games and five out of their first six games against non-district teams by one-sided margins. They suffered a letdown in the last four games.

In district play the team had to meet two of the state's finest schoolboy teams, Tyler and Wichita Falls. The Tigers, after suffering defeat at the hands of these schools and Highland Park, salvaged the district season by playing Stephen F. Austin to a 7-7 tie.

The Tiger's wins were over Corsicana, 27-6; Temple, 22-6; Fort Worth Poly, 32-13; Brackenridge, 31-6; and Central of Oklahoma City, 56-6. They met defeat at the hands of Arlington Heights, 39-20; Tyler, 35-7; Highland Park, 21-14; and Wichita Falls, 28-0.

In general the Bengals faced a rebuilding year in 1955, and though they didn't have a great record or a team of all-staters, they had as much of the Waco High

spirit and sportsmanship as any of the previous district champions from Waco. For this, much credit should be given to the fine coaching of Coach Carl Price and his able assistants, Jack Price, Wayne Gardner, Johnie Riola, E. B. Jones, and Dick Lindsay.

## WACO-CORSICANA

The Bengals performed much better than was expected in their season opener against an experienced Corsicana Tiger team. They received the opening kickoff and marched to the Corsicana 31 before a fumble halted the drive. Minutes later, however, Corsicana recovered another loose ball on the Waco 47 and barged to a touchdown with quarterback Dale Wood going the final two yards. The try for point failed.

This roused the Tigers, and they fought back for the tying score. They took the kickoff and quickly got six points on a 67-yard pass-run play from halfback Roy Garner to end Donnie Anderton. Fullback Donald Poston's kick was wide. Before the half ended the Tigers went 62 yards for another TD. Quarterback Ronald Benson went the last yard and Poston's kick was good to give the Tigers a 13-6 lead.

Waco took the second half kickoff back all the way as halfback Tommy Patterson ran 88 yards. Poston's kick was again good, making the score 20-6. Later in

the third period, guard Bobby Saffle recovered a Corsicana fumble on the Corsicana 44. It took the Tigers two plays to reach the end zone with Garner going 37 yards for the touchdown. Poston's try was good.

Corsicana threatened most of the fourth quarter but never could reach the goal, and the final score was Waco 27, Corsicana 6.

## WACO-TEMPLE

The young Tigers continued their fine offensive play in the season's second game against a favored Temple team on a slippery, rain-soaked field in Temple. A Temple punt early in the game was returned by Tiger halfback Drew Morris for 56 yards to the Wildcat 24. This set up the first Waco score, which Ronald Benson got on a one-yard plunge. The Bengals tried a pass on the extra-point attempt, and it was incomplete.

Early in the second quarter Temple drove 36 yards for the tying score. Dick Stafford got the six points on a 10-yard run; the extra-point try failed. Waco got the ball, however, and quickly regained their lead. The touchdown drive covered 57 yards. Roy Garner took two passes on the march from Ronald Benson; the last one was good for a 22-yard score. Donald Poston's kick was good for the extra point.

The hustling Wacoans still hadn't finished for the

half. Temple took the kickoff and couldn't go; they punted to the Tigers on the Waco 12. On the second play Roy Garner sped 90 yards for the touchdown. The extra-point kick was wide, and the halftime score stood 19-6.

Waco's final three points came on an 11-yard field goal in the last quarter. The final score was Waco 22, Temple 6.

#### WACO-POLY

The Tigers took the lead early in the battle with the Parrots from Fort Worth and never relinquished it. The Tigers kicked off to open the game, and a few minutes later, following a Poly punt, they got their first touchdown by moving 77 yards. Halfback Tommy Patterson got the score on a 47-yard run after taking a pitchout; Joe Oliver's try for point was no good. After the kickoff following this touchdown, a Parrot pass was batted into the air by the Waco line and intercepted by Bengal tackle Marshall Saunders on Waco's 49. Two

plays later the Tigers added another marker on a 20-yard pass from Ronald Benson to Roy Garner. Oliver's placement was again no good, leaving the score Waco 12, Poly 0.

A Parrot drive late in the first half halted after getting as close to the Waco end zone as the 3-yard line. Waco finally gained possession on its own 9-yard line, and halfback Patterson, on the first play from scrimmage, sprinted 91 yards for the Tigers' third TD. The extra-point try, this time by Donald Poston, was again wide.

The Tigers took the second half kickoff and marched 57 yards to score again. Once again the six points were produced by a pass from quarterback Benson to halfback Garner. This time the play carried for 26 yards. Donald Poston kicked the extra point; the score was Waco 25, Poly 0.

Later in the second half the Tigers got their last touchdown on a run of 38 yards by back Tim Williams

to climax a 66-yard drive. Poston kicked goal again. Poly scored twice late in the game against Waco's reserves, and the final score was Waco 32, Poly 13.

### WACO-BRACKENRIDGE

Waco took to the air in their fourth game of the season against the Brackenridge Eagles from San Antonio and secured an easy win. Brackenridge offered plenty of weight and rushing defense, but their aerial defense and attack were strongly lacking. After exchanging several punts with the Eagles, Waco finally started to roll and got the game's first touchdown late in the first quarter. Drew Morris set up the score with a 64-yard punt return, and Donald Poston ran 6 yards for the TD and kicked the point.

With six minutes remaining in the first half the Tigers struck again on a 66-yard pass play from Roy Garner to Tommy Patterson. Poston's kick left the

score Waco 14, Brackenridge 0. After the kickoff following this touchdown, the Eagles fumbled and Bobby Saffle recovered on the Brackenridge 38. The Bengals moved to the Eagle 8 on mostly ground plays, and from that point Don Poston kicked a field goal to increase Waco's lead at the half.

The Tigers received to begin the second half and started a 51-yard touchdown march. Ronald Benson completed two passes in the drive; the last one, to Roy Garner, was good for 23 yards and a touchdown. Poston converted once again, leaving the score Waco 24, Brackenridge 0. After the kickoff the Eagles couldn't move and punted to Waco. Tim Williams gave the Bengals another good punt return for the night by carrying the kick back 56 yards to the enemy 7. Benson then threw for a touchdown to end Richard Diamond, and Joe Oliver's kick was good.

Brackenridge got their only score of the evening on a

pass interception and runback of 35 yards by guard Jerry Quinn. After a scoreless fourth period, the game ended with the score Waco 31, Brackenridge 6.

#### WACO-ARLINGTON HEIGHTS

The Tiger's first big test of the season came against the Arlington Heights Yellow Jackets of Fort Worth, and the test proved too much for Coach Carl Price's boys. Costly fumbles helped give them their first defeat of the season. The Bengals kicked off to begin the contest, and the boys from Fort Worth promptly drove 47 yards for a TD.

A fumble set up another Arlington scoring drive of 25 yards just a few minutes later. The Tigers then took the kickoff and got back in the game by a 65-yard scoring march. Roy Garner went over from 15 yards out, and Donald Poston converted. The Tigers took an Arlington punt in the second period and went 65 yards for another six points. The point attempt wasn't good, and the score was Waco 13, Arlington 13. Arlington Heights then matched that six points with a scoring thrust of its own to lead at the half.

Two Tiger fumbles early in the third quarter set up two more Yellow Jacket scores, and Fort Worth now led 32-13.

Waco, though, wasn't through for the night. Tim Williams picked off an Arlington pass later in the quarter, and the Tigers drove 55 yards on two plays to score. Garner ran 53 yards for his third TD of the night, and Poston kicked the point.

Arlington took the following kickoff and ended Waco's hopes for the night by a 61-yard scoring surge. The game ended with the score Waco 20, Arlington Heights, 39.

#### WACO-CENTRAL

The Bengals rebounded from their loss to Arlington Heights to trounce the Central High Cardinals of

Oklahoma City by a score of 56-6. Waco, however, didn't turn the game into a rout until the last period and actually trailed at one time in the contest. In this victory the Tigers scored more points than any Tiger team since the 1944 Bengals, who crushed Hillsboro 65-6. It also marked the first time in history that the Tigers played a team having a Negro.

While Tyler scouts watched from the pressbox, the Wacoans picked up only 37 yards rushing and three first downs in the first half. Waco led, however, at the intermission, 7-6, on a 35-yard runback of an intercepted lateral by Roy Garner and Donald Poston's first of eight straight conversions for the night. Central's only score of the evening came in the first quarter on a Cardinal pass interception. The Tigers quickly proved their superiority in the second half. They took the kickoff and moved 55 yards for a touchdown. Donald Poston made the TD and kicked the extra point. Late in the same period a Benson-to-Garner pass added six to the Waco lead.

In the fourth quarter the Tigers couldn't be halted. After the first string retired from the game, the "subs" did as good a job or better than the starters. Don Bouldin and Donnie Buice each carried for two touchdowns, and Ronald Benson carried for the other. In all it was a 35-point period, and the final score stood Waco 56, Central 6.

#### WACO-TYLER

Waco's first district game of 1955 was against the Tyler Lions, and the East Texans had too much for the Tigers. Tyler, the team that advanced all the way to the state finals before falling to mighty Abilene, didn't control the game all night, however. Waco took the field to begin play with great spirit and a strong desire to pull the upset of the season.

Early in the first quarter, Tiger Joe Ward re-

covered a Lion fumble on the Tyler 15. Three plays later, halfback Garner ran 7 yards to put Waco in the lead. Donald Poston added the extra point. The Bengals threatened two more times after this by recovering a fumble and intercepting a pass, but each time they were denied a score by a stout Tyler defense. On the second scoring try, the Lions recovered a Waco fumble on their own 14. The Lions wasted no time in scoring as Joe Leggette sped 86 yards for a TD and all-stater Charles Milstead tied the score with his extra-point kick. After an exchange of punts late in the first half, Tyler took the lead for the first time in the game. A Waco pass was intercepted by Milstead and returned to the Tiger 12. Ken McGuire quickly ran for the touchdown, and Milstead converted. The score at halftime was Waco 7, Tyler 14.

The second half was dominated by the more experienced Lions. A blocked Tiger punt just after half-time set up a 23-yard scoring spree for Tyler. Milstead carried for the final three yards, and his kick was good. Waco took the kick and tried for a first down with a yard to go on its own 35. The try failed, and from that point Tyler got its fourth touchdown. With five minutes left in the game, Tyler moved 60 yards to end the scoring for the evening. Thus, Waco's first effort in district play was a losing one, and the final score was Waco 7, Tyler 35.

WACO-HIGHLAND PARK

Waco still had hopes of a tie for the district title when it entertained the Highland Park Scotties at Muni Stadium. However, the Scotties' alertness and a poor performance by the Tigers combined to drop the Bengals from the title race.

Highland Park received to start the game and fumbled on the first play from scrimmage. Waco could manage only eight yards on four plays, though, and the

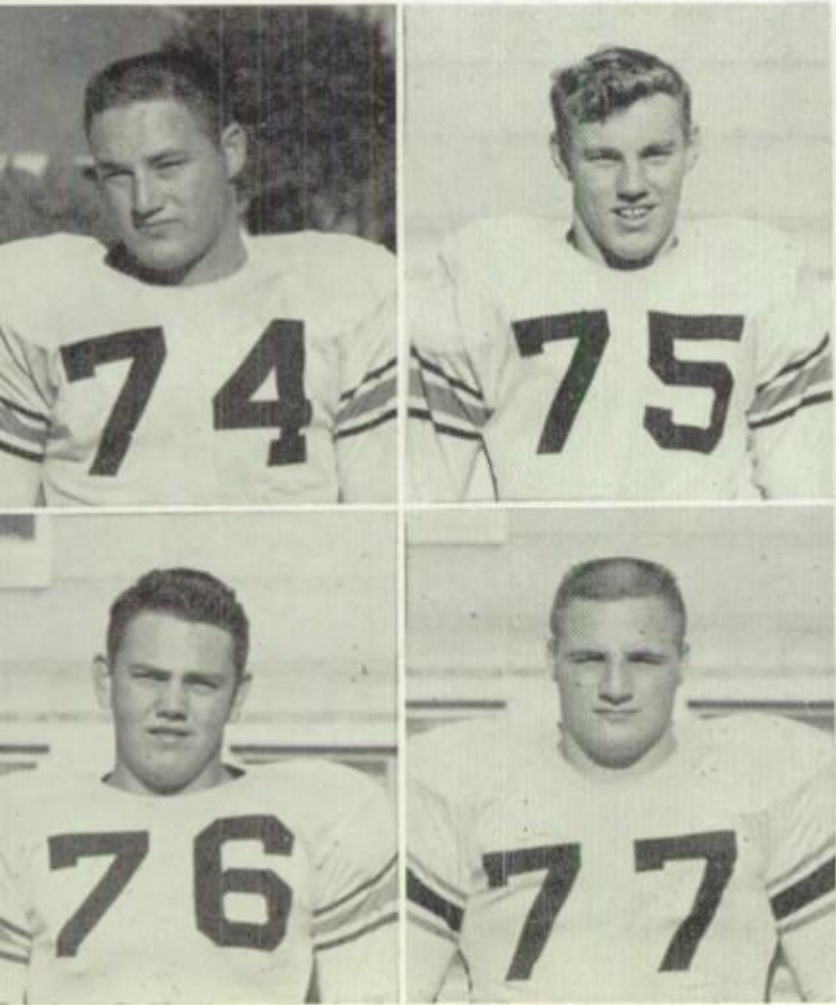

Captains Roy Garner, Tommy Patterson, and Aubrey Conner

Scotties gained possession on their 24. Here they began a 76-yard drive for a touchdown which covered nine plays. A conversion made the score 7-0. Early in the second quarter, following a Scottie punt, the Tigers fumbled. Highland Park recovered on Waco's 30, scored

on a 4-yard off-tackle slant, and the conversion try was good.

Waco took the ensuing kickoff, couldn't go, and punted to Highland Park's 31. Two plays later David Hawkins intercepted a Scottie pass and returned the ball to the 25 of Highland Park. Waco then got back into the game by scoring in six plays. Poston got the touchdown on a one-yard plunge and converted also. The Scotties received the kickoff and scored again before the half ended with the score Highland Park 21, Waco 7.

Donald Poston accounted for seven points again. The final score was Waco 14, Highland Park 21.

#### WACO-WICHITA FALLS

This rivalry always seems to end in a shutout, and 1955's game was no exception. The Coyotes were anxious to avenge a 28-0 loss to the Tigers a year earlier and reversed the score on Waco. Wichita Falls combined a great defense and a strong offense to hand the Bengals another district loss. The Tiger offense was held to a standstill by the Coyotes, but Waco's defense did a good job in holding the Wichita Falls offense to four touchdowns. The Bengal defense was led by backs David Hawkins and Ronald Benson; ends Johnny Tristan, Donnie Anderton, and Read Ambler; tackle Marshall Saunders; and guards Aubrey Conner and Jimmy Garrett.

The opening kickoff went to Wichita Falls, and the Coyotes started a 90-yard touchdown march. The extra-point kick was good.

Waco took the kickoff and attempted to tie the score. Tommy Patterson sped for 13 yards, but the drive ended on the Waco 44. In the second period the Coyotes scored again on a fourth-down pass of 32 yards. The kick was again good. The halftime score was Wichita Falls 14, Waco 0.

The Coyotes wasted no time in the second half as they took the kickoff and moved 71 yards for a score. Early in the last quarter Wichita Falls increased its lead, leaving the final score Waco 0, Wichita Falls 28.

#### WACO-STEPHEN F. AUSTIN

Waco's Tigers moved to a quick first quarter touchdown and then held off the Austin Maroons the rest of the way to gain a 7-7 tie in their season finale. Donald Poston, Tommy Patterson, and Tim Williams led the Tiger attack, while Ben Pate, Sam Fason, Joe Ward, and Jimmy Garrett sparked the Waco defense. It was a rugged defensive game; Austin led in first downs, and the Tigers led in rushing and passing.

Austin kicked off to Waco to open the game, and the Bengals returned the kick to their 34-yard line. From this point Waco moved to its only touchdown of the night. Quarterback Tom Stollenwerck passed to Patterson for 42 yards on the first play. Donald Poston drove over guard from one yard out six plays later to score. Poston also added the extra point to give Waco a 7-0 lead. After exchanging several punts Austin gained possession on the Tiger 47 at the start of the second period. Bill Gattis ran wide, and David Pollard ran up the middle to lead the Austin drive. John Babcock scored on a one-yard plunge for the Maroons, and Arthur Driskell got the conversion to tie the score.

Waco was forced to play most of the third quarter in its own end of the field but managed to halt two Austin scoring attempts. In the fourth quarter David Hawkins returned an Austin punt to the Maroons' 39-yard line. This Waco march died, however, and the Tigers were forced to punt. During the remainder of the game Waco was forced to rely on a strong defense to preserve the tie. The defense was equal to the occasion, and the game ended with the score Waco 7, Stephen F. Austin 7.

# The 1955-1956 Season

The 1955-56 Tigers were one of the most inexperienced Tiger teams in recent years, yet by the end of the season they showed signs of great promise for next year's campaign. Waco won thirteen out of twenty-four games played during the year and finished third in district play with a 4-4 mark. While establishing this record the Bengals entered three tournaments. They finished fourth in the 4-A, 3-A division of the Coca Cola tournament at Waco, advanced to the semi-finals in the Temple tournament before losing, and finished fourth in the Dr. Pepper tournament at Dallas.

Jimmy Baker was the only returning squadman from last year's great State-finalist team. Buddy Frierson, John Kerr, and George Graves moved up from the Kittens, and sophomore Louis Gonzales was the fifth regular.

The Tigers began season play against North Dallas and came from behind in the fourth quarter to win 47-44. Jimmy Baker paced the Waco scorers with 17 points, and John Kerr had 10 for the night.

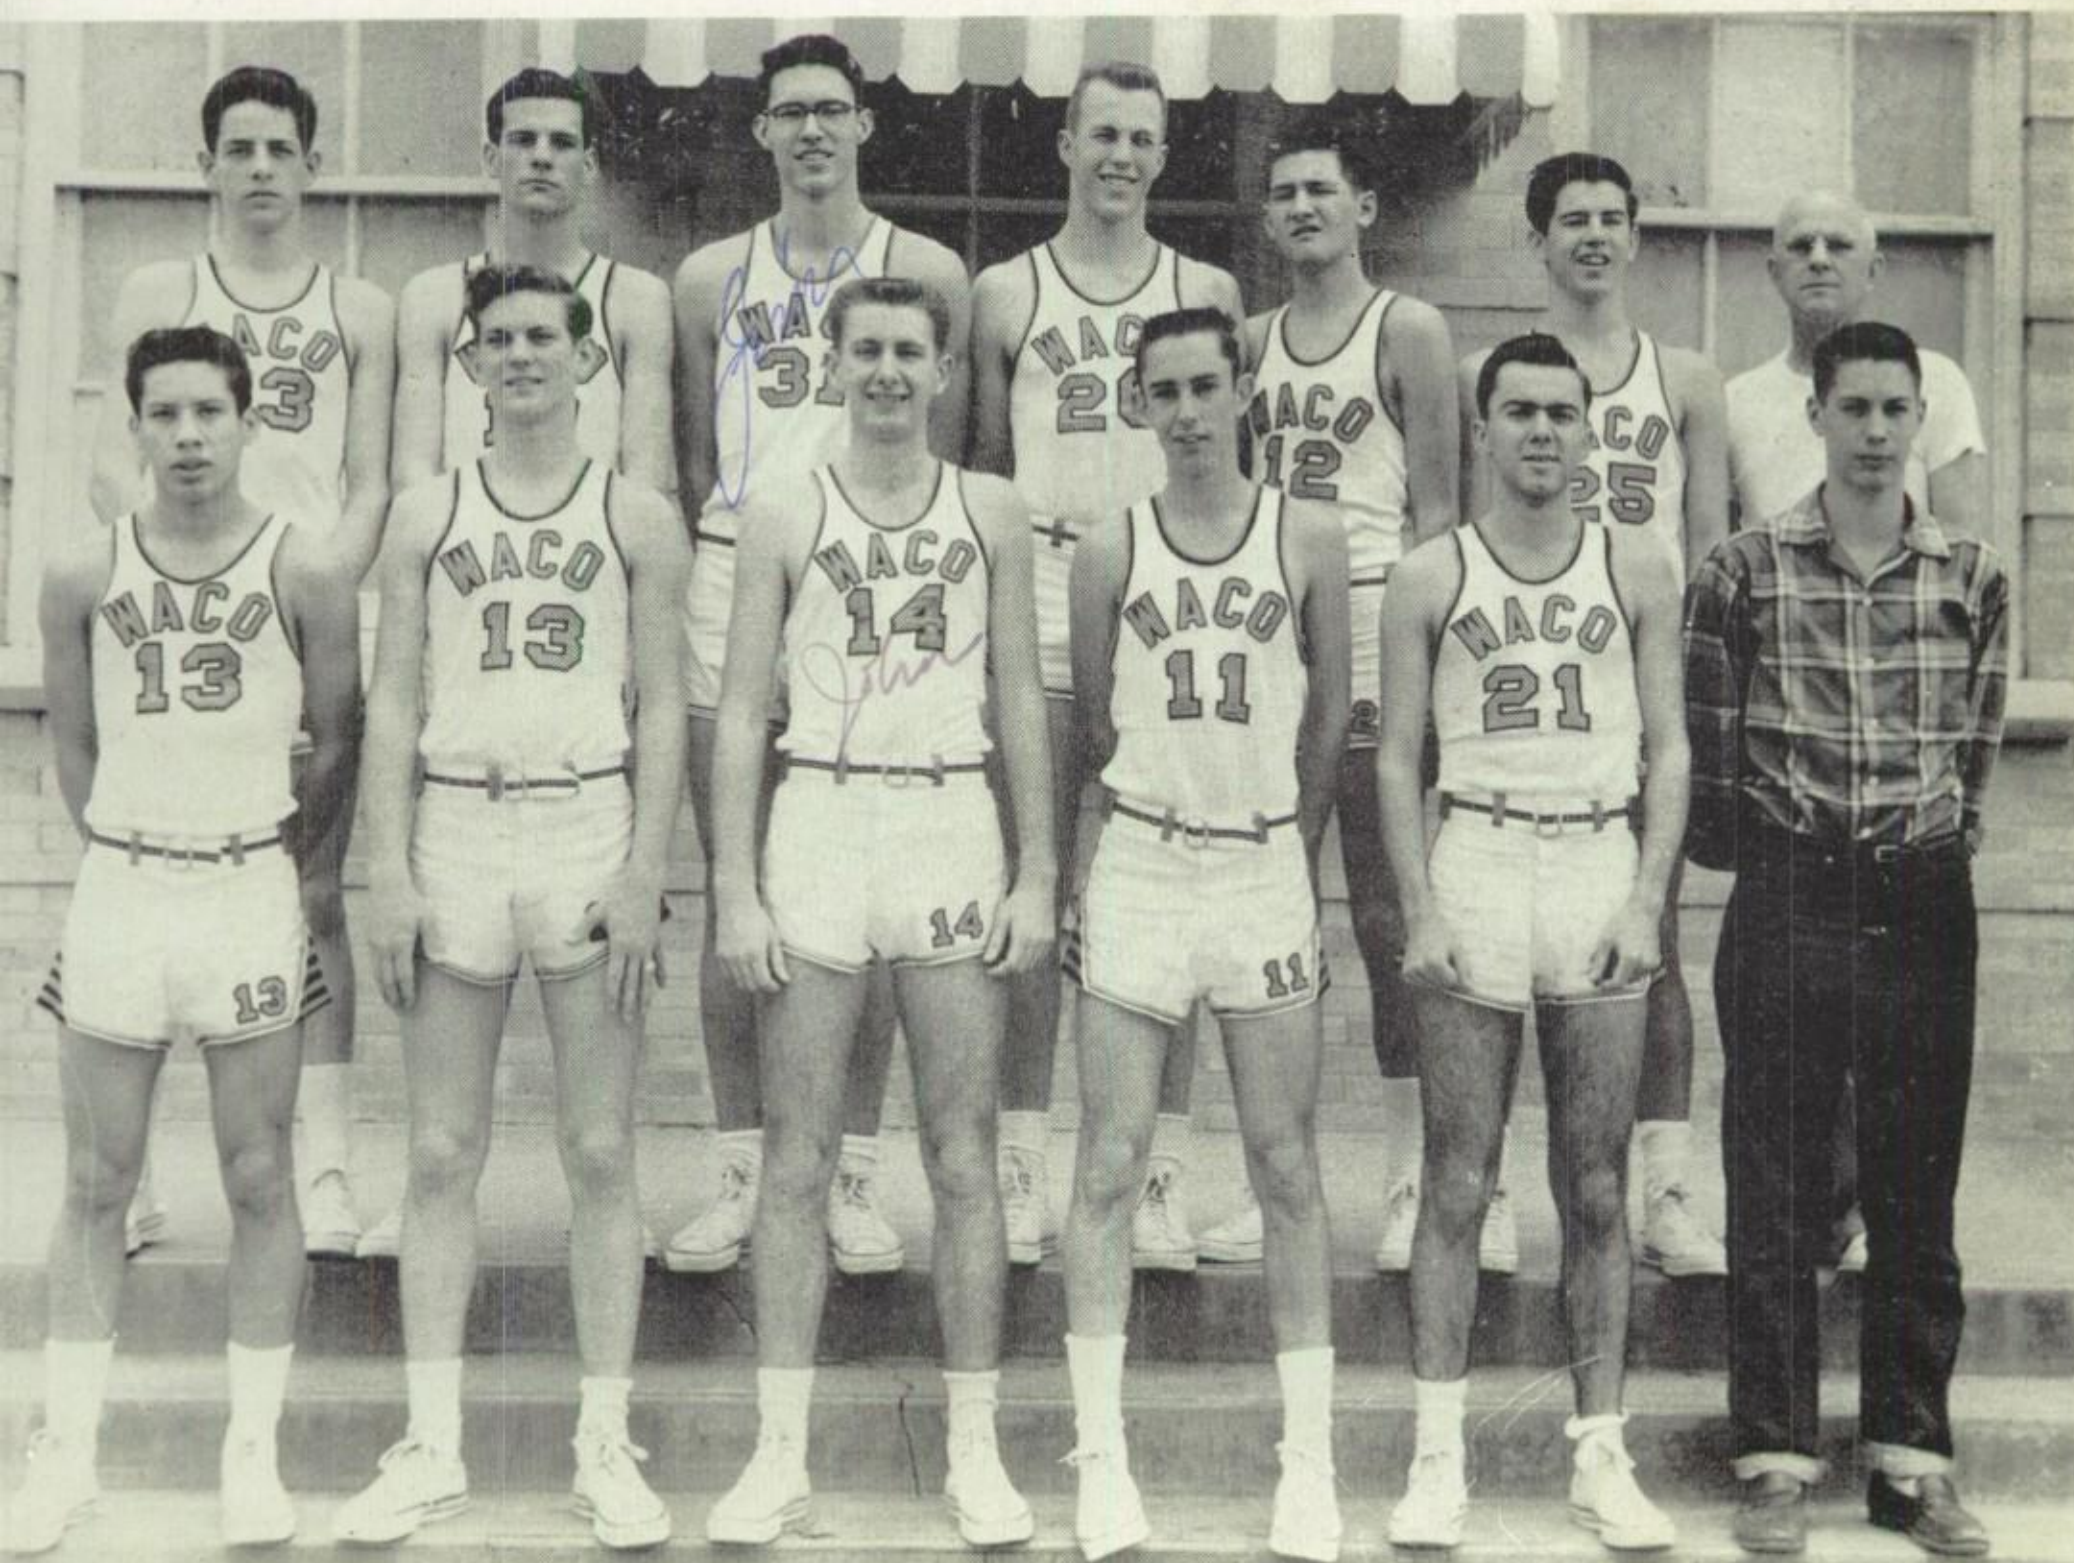

Waco went down to defeat in its second game on North Dallas' home court. The Bulldogs had the lead all the way after the first quarter. Waco was led in scoring by George Graves with 13 points. The final score was North Dallas 62, Waco 42.

The Bengals' next opponent was Bryan, and the Bronchos' rebounding gave them a 66-58 victory despite the fact that Waco was more accurate on field goal attempts. Jimmy Baker scored 25 points, and John Kerr, 10 for Waco.

In their first game in the Coca Cola tournament at Waco, the Tigers edged North Side of Fort Worth by a score of 62-61. Baker was again the high-point man with 26 points. Crozier Tech was the next tournament foe for Waco, and the Wolves won 56-54 regardless of a great Waco desire for victory over the defending state champions. Once more Jimmy Baker led Waco in scoring, as he accounted for 22 points. Stunned by this loss, the Tigers dropped their last tournament game to Highland Park, 54-49. The Waco high-point men were

Row 1: Gonzales, Turnage, Kerr, Miles, Niederer, Mgr. Wilson

Row 2: Graves, Turner, Baker, Ambler, Frierson, Freeman, Mr. Keithly

MR. R. B. KEITHLY  
Head Basketball Coach

Baker and Buddy Frierson, with 24 and 15 points respectively.

Upon returning to friendly Waco High gymnasium, the Bengals got back on the victory trail by defeating the Bryan Bronchos 59-54. Fine performances by regulars Louis Gonzales and Jimmy Baker, and sub Bob Freeman helped turn back late Bryan surges.

Coach Keithly's Tigers then moved to Temple to participate in the Temple tournament. They easily won their tournament opener by smashing Killeen 75-56, as four Tigers scored in double figures. Jimmy Baker had the highest Waco total, 18 points. The Tigers lost, however, in the tournament semi-finals to Temple, 63-57. Buddy Frierson was the team's "high man" with 15 points.

Waco's return home was a successful one; the team proceeded to gain its 14th straight victory on the home court with a 59-51 triumph over the Sunset Bisons. Jimmy Baker had 20 points, Louis Gonzales had 12 points and played a great floor game, and George Graves added 10 points and rebounded well.

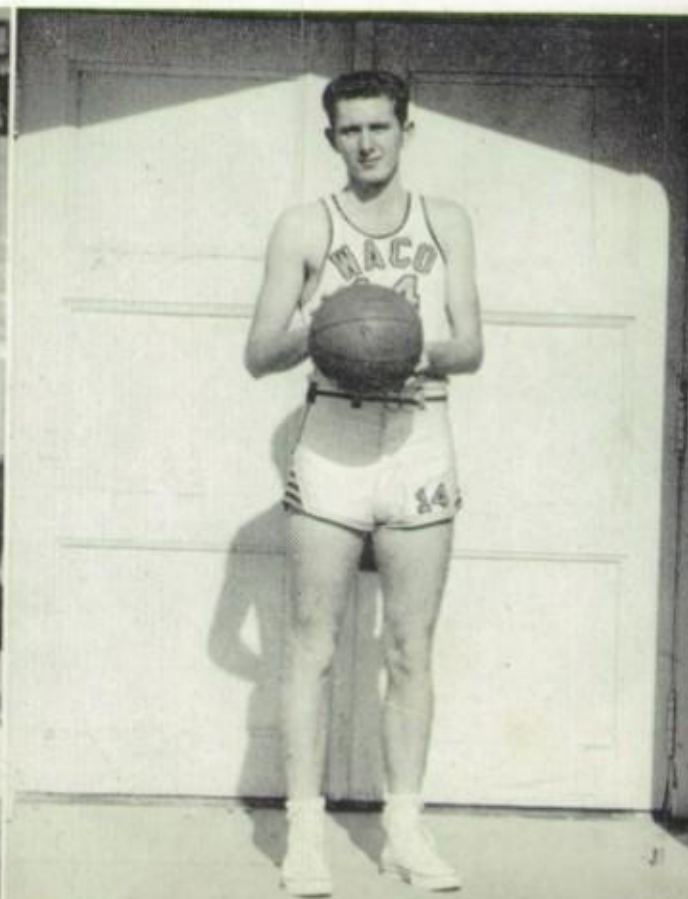

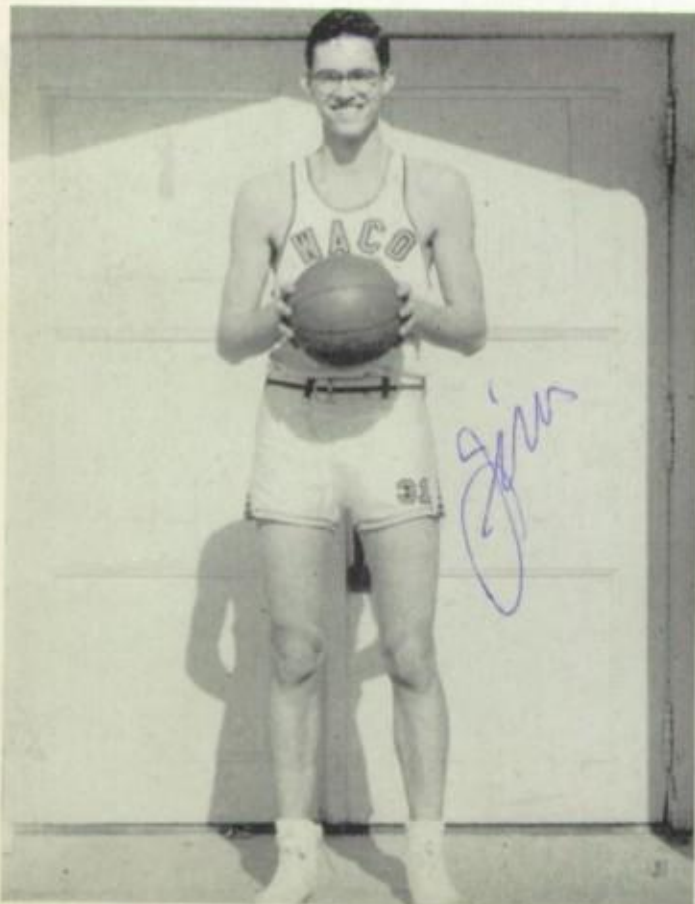

To finish the home-and-home series with the Bisons, the Tigers next went to Dallas. Sunset again fell before them, this time by the score of 52-43. The Bengals rallied in the last three minutes to break a 41-41 tie and pick up this victory. Buddy Frierson was Waco's high man with 14 points.

Three days later Waco was back in Dallas for the start of the Dr. Pepper tournament. Golden furnished Waco's first tournament opposition, and the Tigers gained an easy 51-25 victory over them. George Graves scored 15 points in the rout. Following this, Waco played a fine game in upsetting defending tournament champion Mount Vernon, 51-41. Buddy Frierson played

Jimmy Baker  
Center

Luther Turner fights for the rebound in the Waco-Tyler game.

John Kerr  
Forward

a good game, scoring 18 points. Continuing their great play in the tourney, the Bengals next trounced Woodrow Wilson of Dallas, 71-51. The high point man for Waco was George Graves, who scored 24 for the game. The Waco team then met Crozier Tech's Wolves for the third time in nine months, and in this case the third time wasn't a charm. When Waco's high point man, Buddy Frierson, fouled out with three and a half minutes to go, the score was 50-46 in favor of Crozier Tech. Without him the Tigers fell steadily behind until the Wolves had gained a 59-49 victory. Frierson had 18 points from the field. In the ensuing battle for third place in the tournament, Waco lost to Sunset by a score of 53-49. Frierson and Gonzales each had 12 points for Waco.

With the opening of district play the Austin Maroons invaded the Waco gym, and the result was one of the best games of the year. The Tigers finally slipped by the Maroons 65-60 in overtime on the strength of great team play. Frierson connected for 23 points, while Baker provided 21.

Waco, anxious to repeat as district champ, next met arch-rival Tyler on the latter's home court. The Bengals and Lions were tied at halftime, 19-19, but the East Texans broke the game open in the third period to win 45-36. John Kerr led Waco in scoring with 9 points.

The next district game for Waco was with the Wichita Falls Coyotes, and Waco's 15-game home winning streak ended, as the visitors won, 44-39. Once more the Tigers went to rest at halftime with the score tied, this time at 20-20, and then saw the opposition pull away in the second half. The Tigers were led by Jimmy Baker with 10 points.

The Bengals came through with a good performance in their fourth district game to down Highland Park, 60-57 and maintain their faint title hopes. Tiger for-

Jimmy Baker jumps high to lay one in against Tyler.

George Graves  
*Forward*

ward Buddy Frierson scored 20 points and helped protect the Waco lead late in the game with his fine shooting.

The Austin Maroons continued their home jinx over Waco as the Tigers lost their next game to them, 45-37. Waco once again lagged in the second half after leading 21-20 at the intermission. Frierson made 14 points, while Baker made 12.

Running up their highest point total of the season,

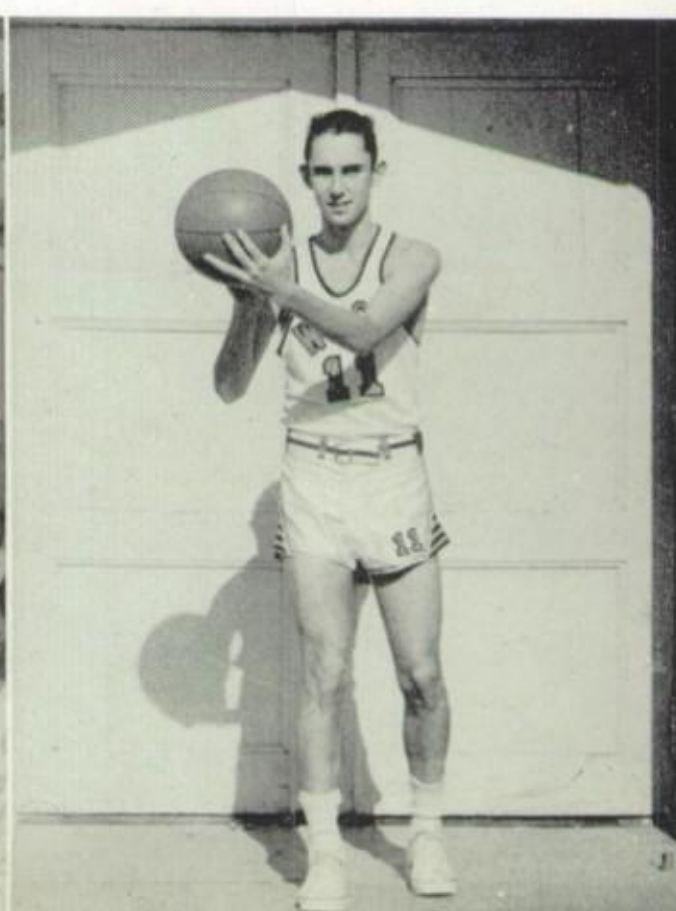

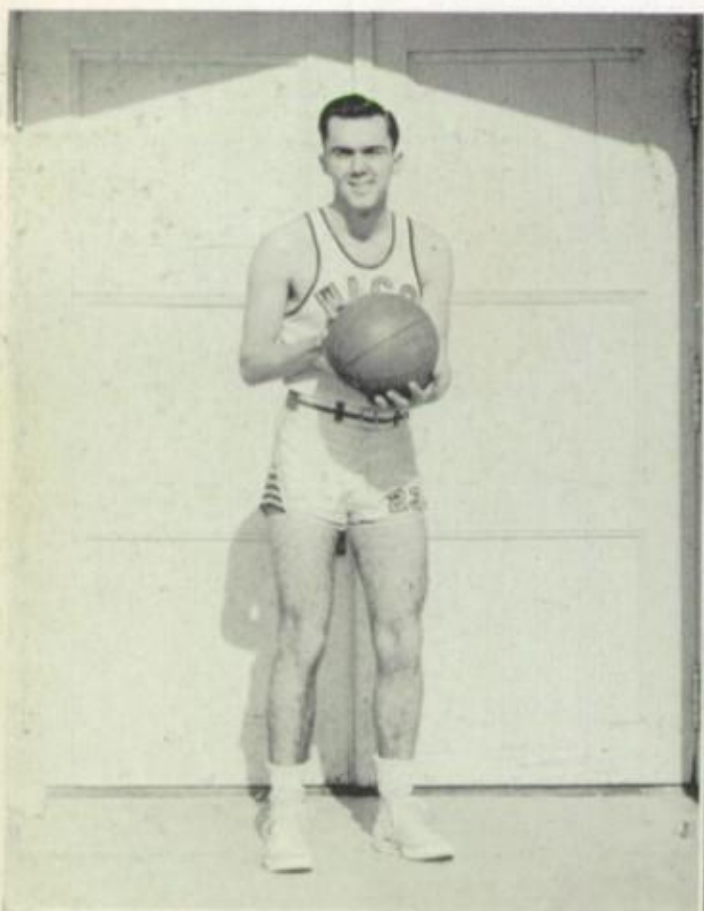

the Bengals rushed past Tyler's Lions in their following outing by a score of 76-67. Every Tiger played a fine offensive game as Waco gained an important "prestige" victory. Baker picked up 19 points; Frierson, 18; and George Graves, 17 for the Tigers.

While Jimmy Baker and John Kerr played their final home games for Waco, the Bengals romped to their second consecutive district win by dropping the Scotties

Luther Turner  
*Center*

of Highland Park, 70-53. Waco commanded the game from start to finish and was headed in scoring by Jimmy Baker's 19 points.

Waco saw its final hopes of a tie for the district crown vanish as it dropped its last game to Wichita Falls by a score of 67-53. High men for the Tigers were Frierson with 20 and Baker with 18.

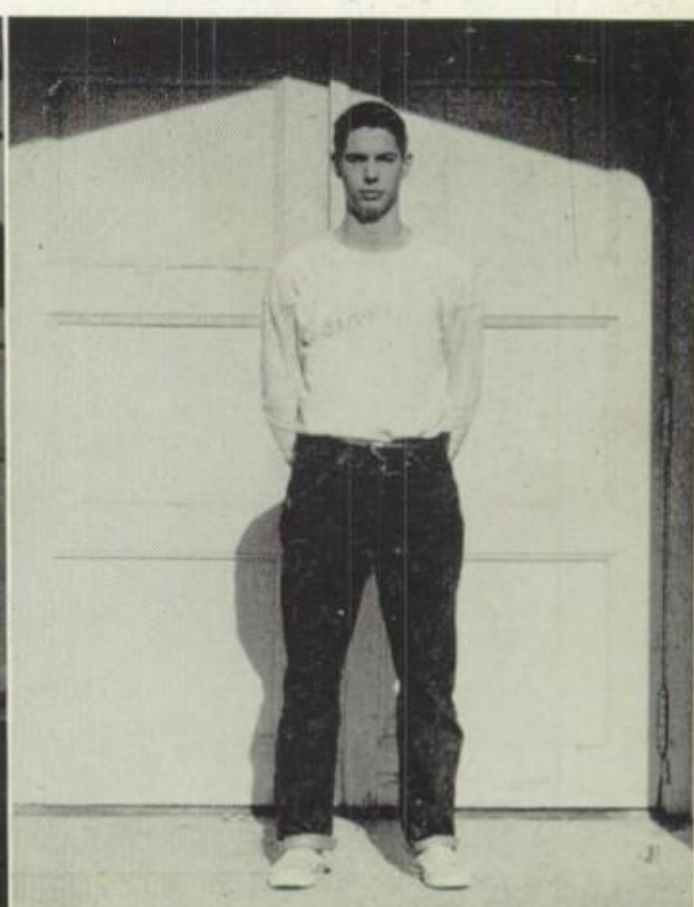

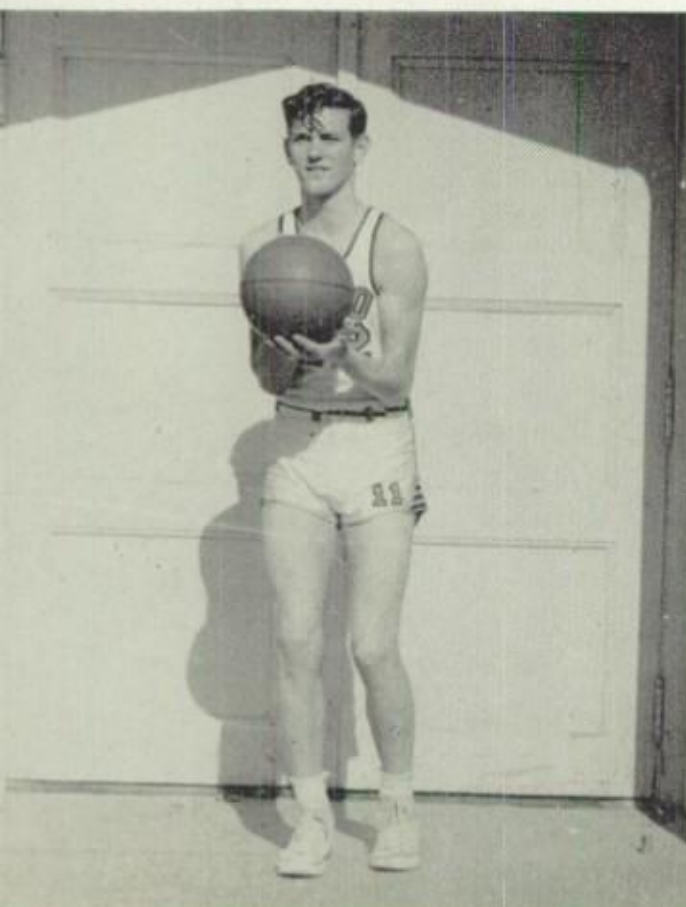

To summarize, the Tigers played some fine basket-

ball during the season and are certain to be even better next year. Jimmy Baker was named to the all-district team and to the all-star team in the 4-A, 3-A division of the Coca Cola tournament. Buddy Frierson made second string all-district and was chosen for the all-star team of the Dr. Pepper tournament. In general, the boys and Coach Keithly deserve a great deal of credit for a job well done.

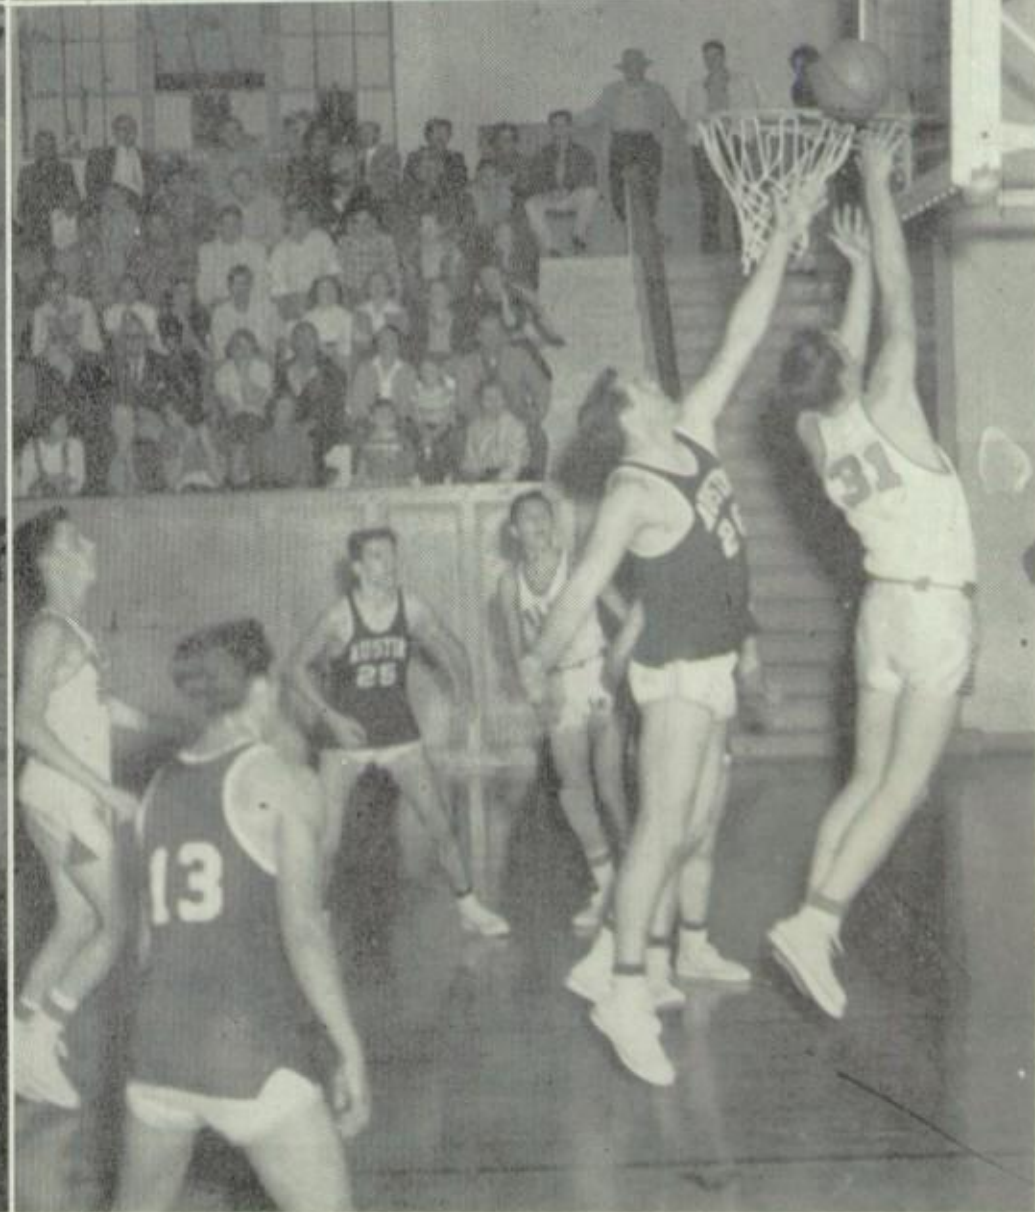

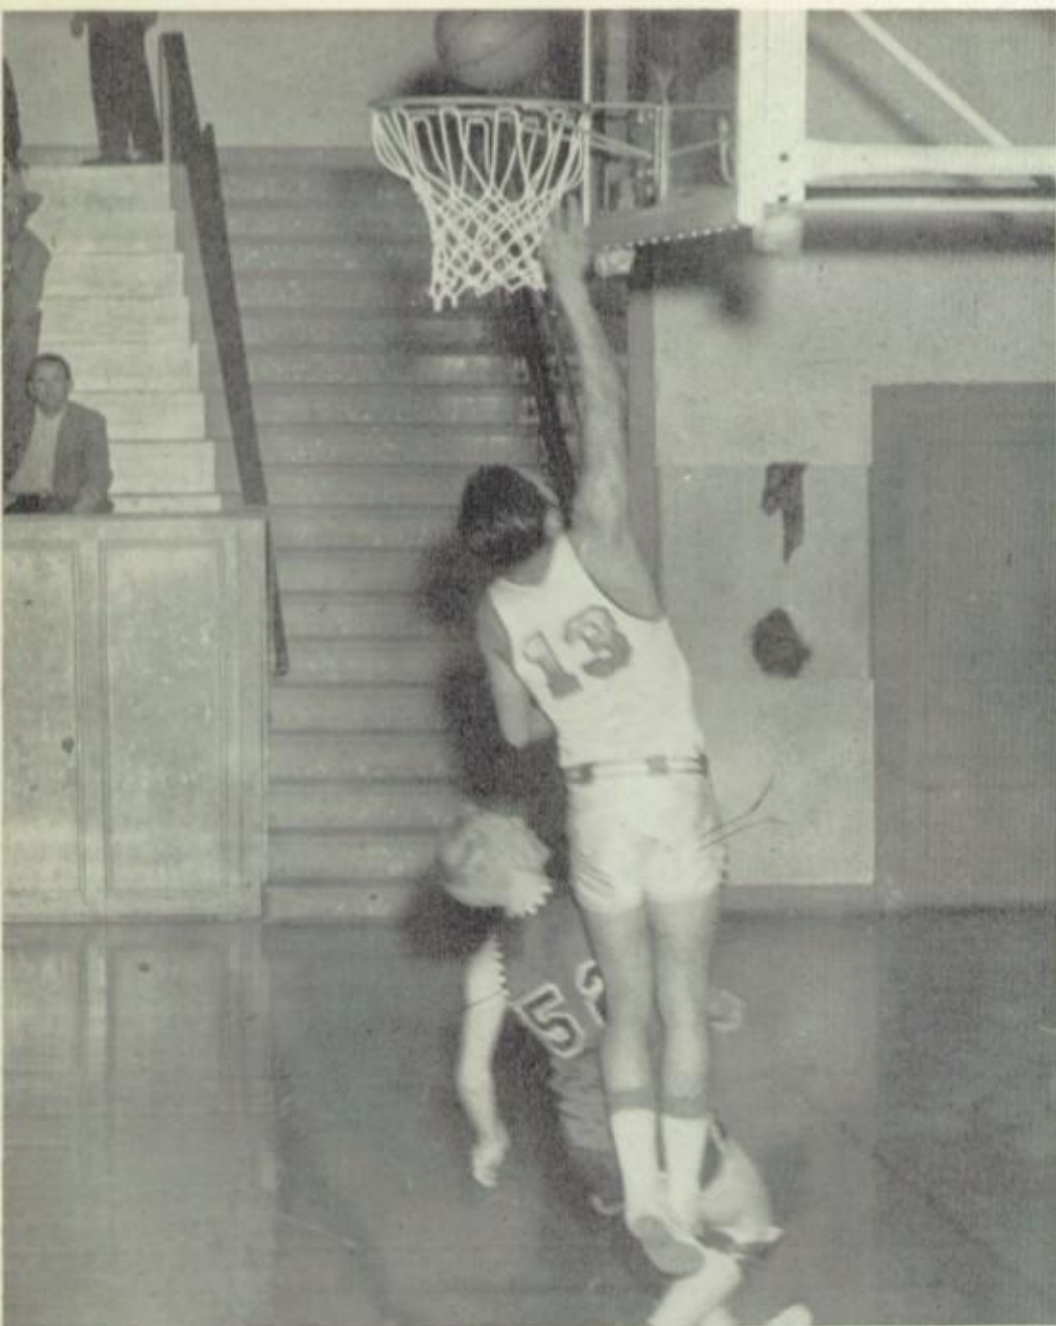

Marshall Turnage  
*Guard*

Jimmy Baker nearly dunks one as Highland Park watches helplessly.

Kittens vs. Teague

## KITTEN BASKETBALL

*Coach:* Mr. Jack Price

The Waco High Kitten basketball teams are made up of tenth and eleventh grade boys who are gaining experience for the Tiger ball club. To provide playing experience for more boys, the team was divided into two groups, the Kittens and the "Baby" Kittens. Games were scheduled for both teams. In the '55-'56 season a busy schedule with a total of thirty-four games was played, the Kittens winning sixteen of the contests.

Row 2: Ballowe, Cooper, Retzlaff, Pierson, Smith, Rinehart

## GIRLS TENNIS

*Coach:* Mrs. Betty Beaty

This year the Waco High School girls tennis team has featured Carol Cooper, Becky Rinehart, and Nell Pierson as the brightest prospects for the 1956 Tigerette team. Others making up the team include Nancy Ballowe, Martha Pickens, Gena Retzlaff, Gwen Whiteley and Sammie Smith.

These girls well represented Waco High in practice tournaments with Temple, Bryan, and Austin. At the first matches the girls did not fare so well, but these practice games aided them in preparing for the district games on April 14th. Because of their previous experience and the practice record this year, Mrs. Beaty has selected Carol Cooper to represent Waco High in the singles division, and Becky Rinehart and Nell Pierson in the doubles division.

Another important group participating in girls tennis is playing on the junior girls team. These girls include Mary Traylor, Betty Brown, Kay Pierce, and Linda Pierson.

Sachs, Howell, Morris, Levy, Henke, Schwetman

## BOYS TENNIS TEAM

*Coach:* Mr. E. B. Jones

With returning letterman Frank Levy and two promising sophomores, Tommy Morris and Michael Henke, the 1956 tennis team shows every indication of being able to win many matches this year. Other members of the team are a senior, Hobie Howell, and another sophomore, Herbert Schwetman. Levy is a two-year letterman and has won many championships in and around Waco. While he was in the junior division, Morris and his partner, Jim Robinson, won the Texas Amateur Athletic Federation State Championship last fall.

In doubles, the team is Levy and Morris. These boys have a powerful game both at the net and in the back court, and they hope to do well in their coming matches. Henke is the top contender for singles play with Howell and Schwetman close behind him.

On February 25 the team went to Bryan for a match and won 3-0. Other events on their schedule include more matches with neighboring schools and the district meet later in the spring.

In the junior division for boys fifteen years or under on September 1, Carl Sachs, a Waco High sophomore, and Hugh Wilfong, of a local junior high school, will probably play doubles. Jim Robinson, also of a local junior high school, will play singles.

C. easey, Farrar, McMeen, Elkins, Henderson, Schwarting, Bassett, Shelby, Beck, Bangert

## GOLF TEAM

*Coach:* Mrs. Louis B. Bate

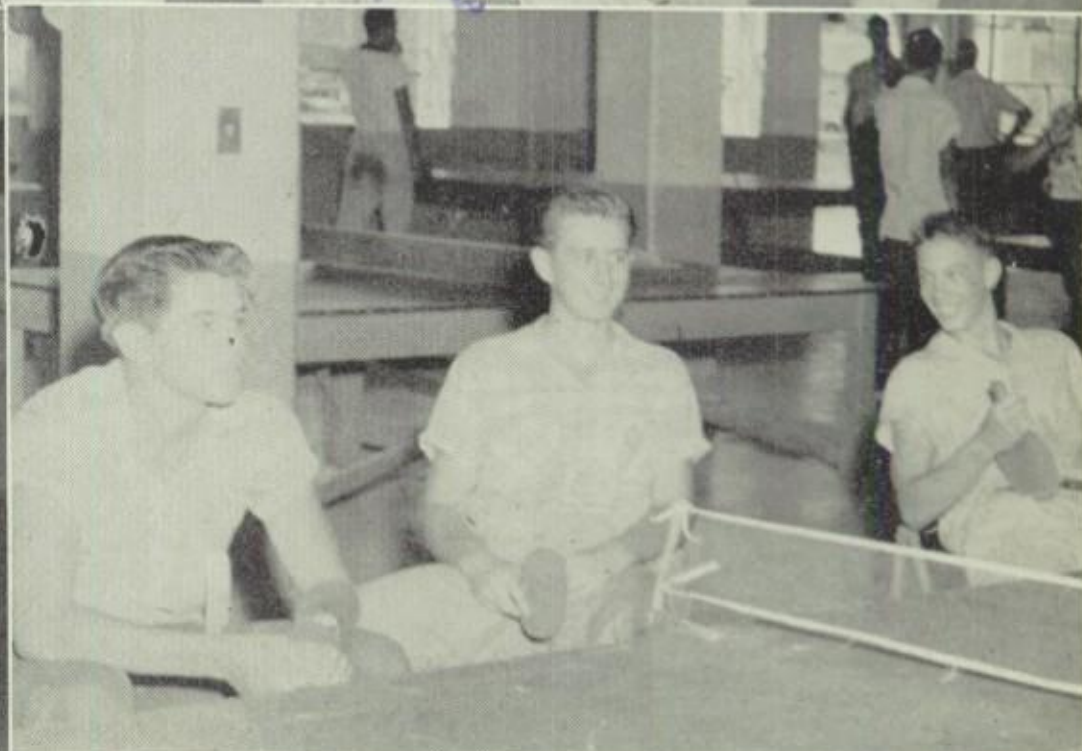

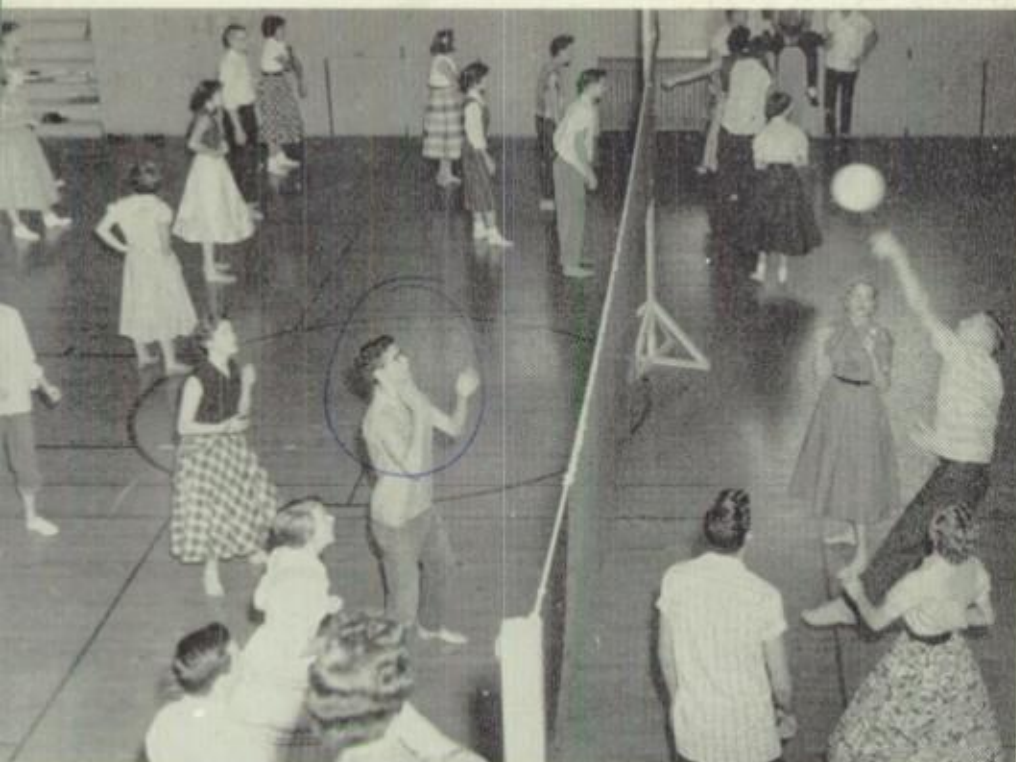

Waco High School's golf team played in seven practice matches during February and March. In February the Tigers were hosts to Woodrow Wilson of Dallas, and Athens. Both of these matches were lost. The Tigers then went to Athens for a return meet and won second place in a three team meet.

During March the Tigers played four matches. The first was played in Waco with Temple, Paschal of Fort Worth, Waxahachie, and Waco competing. The Tigers won second place. Waco then journeyed to Temple for a return match and was victorious for the first time this season. The next week-end the Tigers met defeat at the hands of Paschal in Fort Worth. In a match with Temple, Corsicana, Cleburne, and Lampasas, the two Waco teams won first and second place with just five strokes separating the two teams.

The golf meet of District 7 AA was held in Corsicana at the Corsicana Country Club on April 14, with Waco competing as the defending champion and Tommy Henderson as the returning medalist. Waco High School was represented by Bruce Bangert, Bob Bassett, Gary Beck, Gary Creasey, Francis Elkins, Jay Farrar, Tommy Henderson, George McMeen, Arnold Manske, Ed Shelby, and Ed Schwarting.

1. Volley Ball Tournament: Homeroom 123 vs. Homeroom 215, in far court; MH Homeroom vs. Homeroom 306, in near court.

The 1955-56 activities of the Senior Band began with preparations for the football season. The band appeared at halftime at all the home games and made trips to Temple, Tyler, and Wichita Falls.

During the fall the band spent much time in preparation for the marching contest held in Hillsboro. The band presented precision drills, and both the band and the majorettes made First Division.

The band presented its annual assembly program in February. All numbers were led by student-conductors.

The student-conductors for this program were Tommy Tucker, Pat Bennett, Mary Fernald, and Bob Hawkins.

In the spring the band took part in the Regional Music Contest. Many members played solos and ensemble numbers, and the band played two numbers.

The band presented a concert for the Masonic convocation and played for the District X Teachers Convention. The band marched in the Santa Claus parade, the HOT fair parade and the March of Dimes parade. They also played at all school assemblies.

### SPRING

Reporter	Cornelia Minnix
----------	-----------------

The Senior Chorus is the senior organization of the Waco High School Choral Music Department. In this capacity, the chorus does programs for civic clubs, luncheon groups, church groups, junior high and high school assemblies. This year the group helped with the Easter

Sunrise Service. During the spring semester, the Senior Chorus presented the operetta "The Lowland Sea."

The Interscholastic League Vocal Contest will climax the year's work. Many soloists and ensembles, as well as the chorus, will enter this contest.

1. Chorus members prepare bulletin board in new Music Hall.
3. Partial view of Christmas assembly program in which all chorus groups took part.
5. Practice for operetta, THE LOWLAND SEA.

2. First practice in Music Hall.
4. Fall and spring officers of Senior Chorus.
6. Newcomers in Boys Chorus sing on Newcomers Club assembly program.

### SPRING

Besides the Senior Chorus, there are three other choruses which make up the choral music department. They are Junior Boys Chorus, Junior Girls Chorus and the Intermediate Chorus.

The Junior Boys and Junior Girls groups are composed of students who have had no previous musical experience in high school. In these organizations students get training for further choral work.

The Intermediate Mixed Chorus was organized this year, replacing the Intermediate Girls Chorus. Members of this group are promoted from one of the two junior chorus groups. This organization serves in the same capacity as the Senior Chorus. They participate in programs and combine with the other three groups for mass performances.

The Daisy Chain is produced as an extra-curricular activity under the direction of faculty sponsors, and an editor and a business manager chosen by the officers of the Senior Class.

This year's book was planned by Mary Catto. The art work was planned by Tim Sims and was produced by Tim and Georgiana Graham.

The staff acknowledges with gratitude the assistance of Miss Caroline Richardson, who wrote the foreword; of Read Ambler and Louis Gonzales, who served as advisors for the sports section; and of Alan Wizig, who served as staff messenger. Don Coffman worked as dark room assistant during the spring term and did the lettering.

The publishing of the Daisy Chain is an extra-curricular activity under the auspices of the Senior Class and supervised by faculty sponsors.

Mr. E. E. Mohundro, sponsor of the business staff, is largely responsible for the success of the book. His patient understanding and careful supervision guide both staffs through many difficult situations.

Although the chief duty of the members of the business staff is to sell and collect for advertisements, they are also responsible for selling senior picture coupons and selling and distributing the annuals.

The Business Manager this year, Ray Perry, has a very active staff which has cooperated whole-heartedly and devoted many hours to the financial success of this year's book.

## STUDENT GOVERNMENT

The student government of Waco High School consists of five commissioners, a city secretary, and a city manager. Three commissioners are elected in the fall and two in the spring. The city secretary and city manager are appointed by the commissioners.

The Waco High School Student Government has been active in the Texas Association, the Southern Association, and the National Association of Student Councils. Waco High School was represented at the T. A. S. C. in Midland, Texas, this spring.

This year the Government has had the privilege of choosing outstanding students each month to represent Waco High School at luncheon meetings of the Rotary

and Lions Clubs.

Activities of the student government consist of holding all-school elections and sponsoring special events during the year. A major project this year has been bettering recreational facilities for students during their leisure time. This project was turned over to a committee consisting of representatives from each of our three classes, the student government, and the faculty.

The executive committee of each homeroom appoints a responsible citizen to assist the student government in elections, campaigns, and other activities. The representatives have given the students a feeling of direct participation in their school government.

 Darlene Barnett  
 Pat Dawson

The Waco High School Debate Class has enjoyed a very successful year. Members have participated in tournaments at Dallas (Hillcrest), Central High School of Muskogee, Oklahoma, Denton (Denton High School, N. T. S. C., and T. S. C. W.), New Orleans (Tulane University), Brownwood (Howard Payne College), the annual Baylor-Waco High, and Houston (Lamar). The Lamar tournament was the most successful of the tournaments.

A girls team composed of Donna Nelson and Pat Dawson won first in girls debate, and two boys teams tied for first in boys debate. They were James Grevelle

and George Schell, and Don Borders and David Moore. In the other tournaments we received nine first places, fifteen second places, and three third places in individual events. In debate there were one hundred and ninety-eight debates won and eighty-five debates lost.

To finance these trips, during the summer months the class painted rural mailboxes, and during the school year sold snow cones, had a "before-game-barbecue", a dance, and sponsored the banquet at the Baylor-Waco High Speech Tournament.

The class is now looking forward to a successful Interscholastic League contest.

### SPRING

The fall project for Junior Red Cross was the membership drive. Most homerooms reported 100% memberships and a total of \$130.25 was collected. Various homerooms made scrapbooks of cartoons to be placed in hospitals. Room 212 lead in this project.

On Tuesday, Wednesday, and Thursday afternoons two representatives from each grade report to the Red Cross Center and help in taping bottles, filing and other work.

This spring the main project is filling a gift chest to be sent to a needy school overseas. Boys in wood shop are to build the box and all the homerooms are asked to help in filling it. The extra money from the membership drive will also be used to purchase items for the gift chest.

In the near future Junior Red Cross members are to wash car windows in downtown Waco and leave a circular reminding Wacoans of the need for blood donors.

### SPRING

The Girls Athletic Association is an organization of twenty girls whose main duties are to assist the P. E. teachers in checking their rolls, to help them with their classes, and to keep the shower rooms and dressing rooms in order. Most of the girls who are members are interested in Physical Education as a career. Miss Emma Morehead is the sponsor.

Members must have the following qualifications:

scholarship, ability in recreational activities, interest in the P. E. program, a pleasing personality and good health. Only senior girls may be G.A.A.'s.

These assistants held their weekly meetings on Wednesday mornings. Some of their social activities during the year included a dinner and a Christmas party during the fall term. This spring they gave a picnic for the junior girls who are future prospects for the G. A. A.'s.

### SPRING

During the 1955-1956 school year, the library assistants have had one of their busiest years. Two big events have taken our time and energy. The most important was the State Teen-Age Library Association Convention which was held February 24-25 in Waco. Seven hundred and fifty student library assistants attended the meeting; 135 high schools were represented. The state T. A. L. A. president, Mary Helen Swaner, and Sally Lutes, state corresponding secretary, gave much

time and energy in planning for this big event. The convention was a great success and our chapter has received numerous notes from other chapters congratulating us.

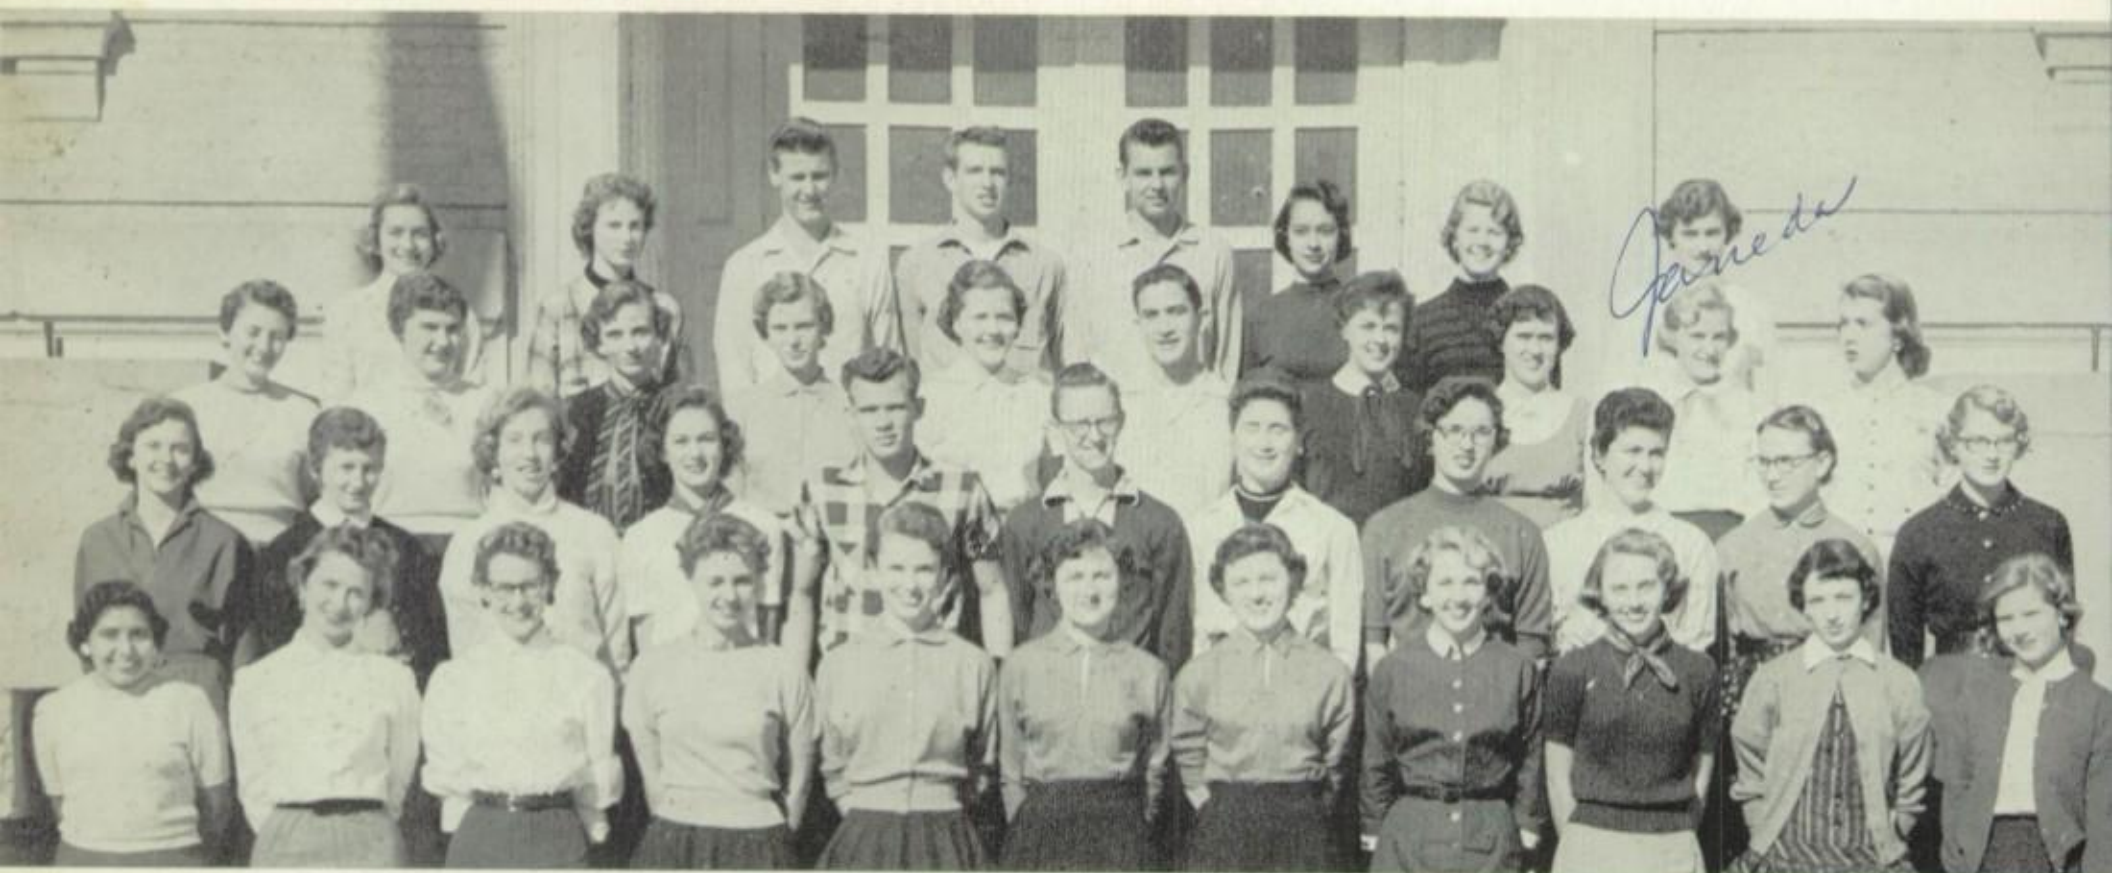

The second event was a complete re-arrangement of the book collection. Several thousand books on the reserve list have been made accessible on the open shelves. As a result, we have more reading room space, and the circulation of the books is increasing.

Row 1: Hamby, Butler, Jester, Richter, Wingrove, Paez

 Row 3: Millsaps, Berry, Ford, Mitcham, Middleton, Aronson, Reed, Kincannon, Gunterman, Dudgeon  
 Row 4: Ducas, Chapin, Stewart, McCullough, Brown, Jenkins, Corbin, Smith

## OFFICE ASSISTANTS

*Sponsor:* MISS GRACE HAMILTON

The office assistants of Waco High School render a valuable service to the school in the various school offices. Some operate the switchboard, others assist in the attendance and registrar offices, and others serve as secretaries to the coaches, manager of school activities and to the director of distributive education. These students work one hour a day without credit or special recognition.

The office assistants show their willingness to serve by making application for a position. The applicants are carefully screened and are chosen on the basis of dependability, scholarship, and on recommendation of their teachers. Besides being of service to their school, the office assistants get real experience in dealing with people and in performing routine office duties.

Row 1: Harrison, Walker, Banks, Cook, Anderson, Abbott, Lipinsky, Morrow, Bond, M. Jones, Fletcher, Henderson  
 Row 2: Jones, Behringer, Mounce, Clark, Adkison, Brown, Bland, Carbon, Dudgeon, Dison, Mabray

The 1955-56 Waco High School P-T. A. has the largest membership the organization has ever had, a total of 1383. The monthly programs were based on the theme—We the People Insure Richer Dividends, and were unusually well attended.

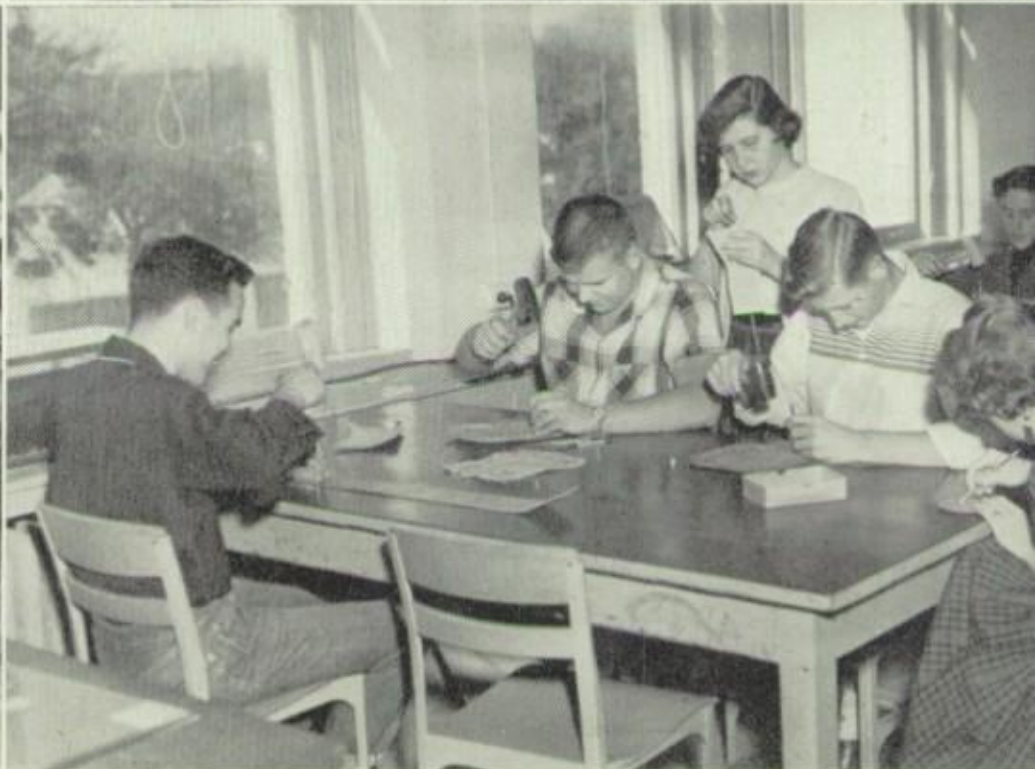

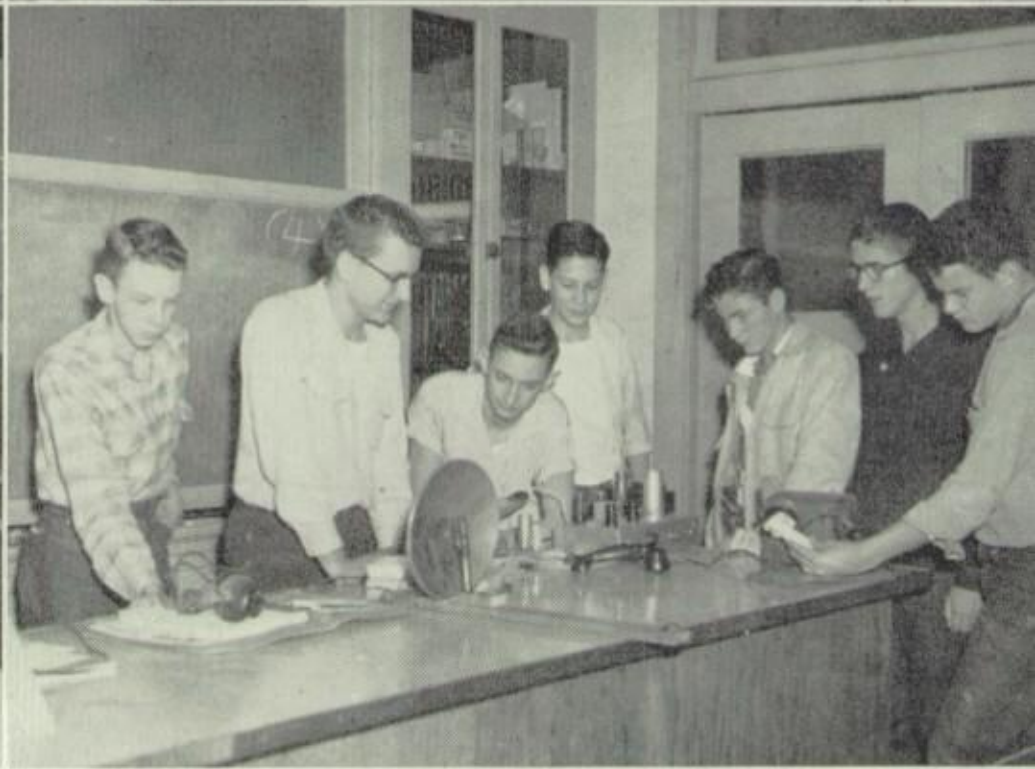

The money making project, The Variety Show held in March, made possible a substantial contribution to the Scholarship Fund and the Waco High School Service Fund.

Mrs. Bland, Mrs. Carmichael, Mrs. Banks, Mrs. Howell, Mrs. Herdman

# CLUB MEMBERS

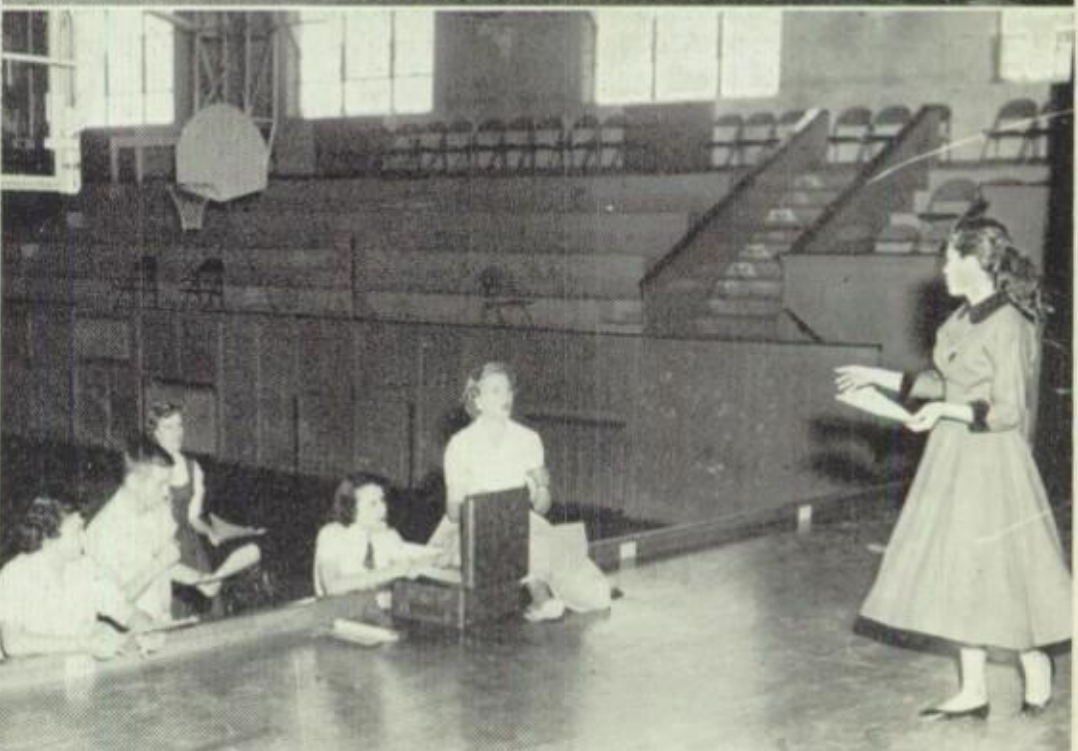

1. Fall initiates of National Honor Society honor their parents with a coffee.
3. *High Hat* version of "Good Night, Ladies."
5. Pan American Student Forum break their pinata.

2. Civil Air Patrol members show their activities with a bulletin board display.
4. Science Club members prepare demonstration for Texas Junior Academy of Science meeting.
6. Crafts Club members at work, as usual.

# WORK AND PLAY

1. Service League clubs gather dolls for Toy Chest.
3. Key Club boys pick up chairs after assembly.
5. F. H. A. girls entertain some of their play school pupils.

2. Y-Teens decorate girls' first aid room.
4. Mr. Nolte and D. E. Club representatives leave for state convention in Austin.
6. Cast of Genheimer Revue put in an hour of practice.

# SERVICE PROJECTS

1. F. H. A. members serve National Honor Society members and parents.
3. Sportsmen's Club members set up chairs for assembly.
5. Automechanics Club boys apply what they learn, with Mr. Linnstaedter kibitzing.

2. Future Secretaries Club members work in typing bureau.
4. Key Club members issue eggs and chickens for Thanksgiving banskets.
6. Program committee of Masque and Wig prepare for weekly meetings.

# COMMITTEES AND STAFFS

1. Editor Baker and staff of NUNC ET TUNC.

3. Fall and spring officers of English Literary Society.

5. Fall and spring officers of National Honor Society.

2. Editors Ridlehuber and McCullough and staffs of LITERARY LIGHTHOUSE.

4. Fall initiates of Quill and Scroll Society.

6. Fall and spring presidents of the clubs of Girls Service League.

### SPRING

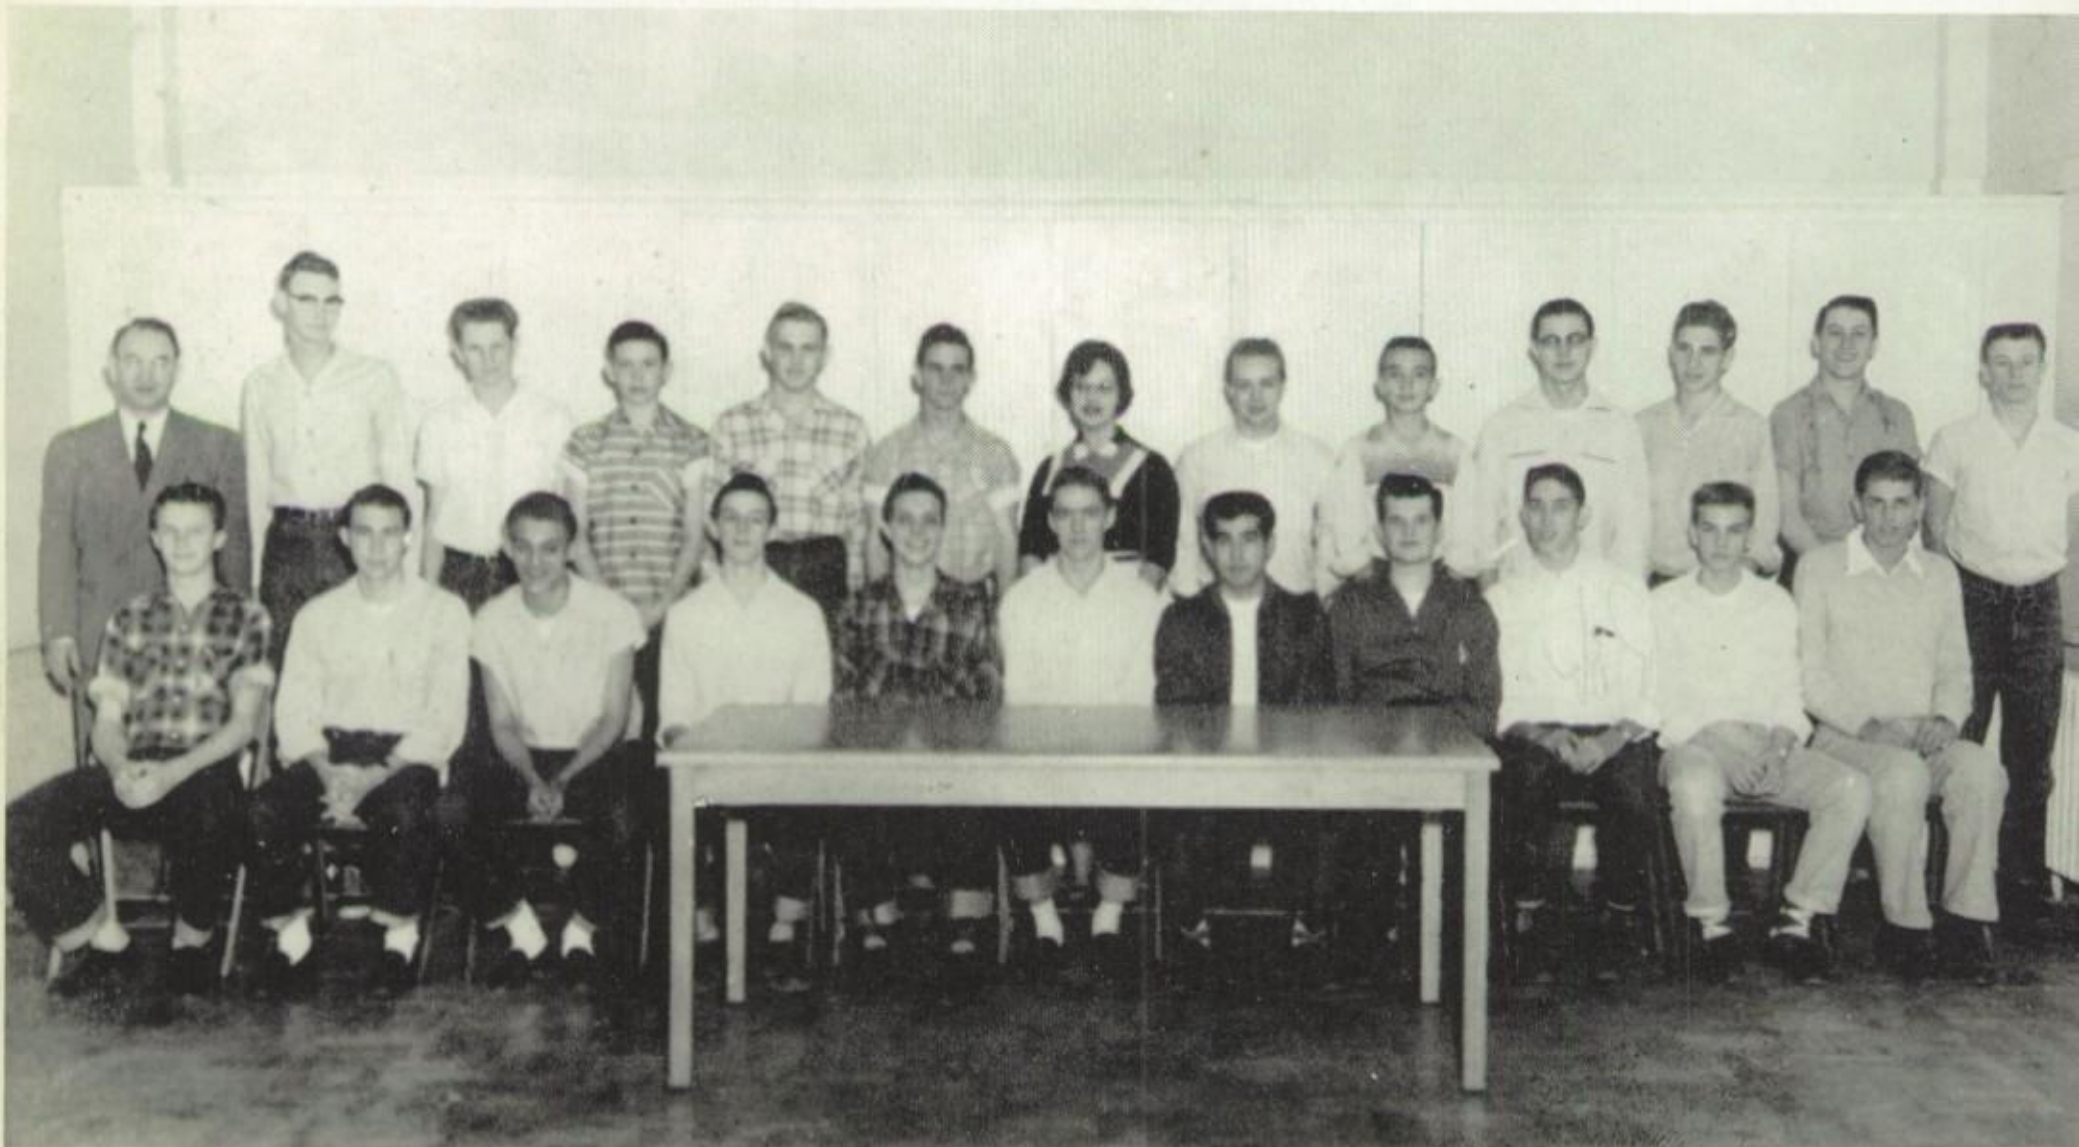

The Architecture Club is sponsored by the Industrial Arts Department of Waco High School under the leadership of Mr. E. A. Werner, head of the department. It promotes activity for those interested in various phases of architecture and structural work.

The meetings are devoted to the study of architecture and construction work, and many visits are made to various new buildings being erected in Waco. Speakers are invited to talk about the different types of architecture. Several programs center around the qualifications

for architects and the preparation necessary to enter the profession.

The study of various building trade magazines gives practice in the reading of blueprints and plans, and in the learning of architectural symbols. The numerous duties of the architect in constructing a building and his relationship with the various unions are studied and observed.

The club is open to boys and girls who are interested in architecture and its various allied interests.

### SPRING

The Automechanics Club of Waco High School is composed of about 50 boys each semester. The club is open to any boy in Waco High School after completion of half a year in the Newcomers Club.

The club's motto is "Safety and Service". The

safety part of the motto includes safe driving habits and the safe operation of the individual's car. Service is stressed in being able to be of help to anybody, in any way, at any time. Thus the motto serves to point out the principles of the club.

The Berry Service Club was organized in 1954, its aim being to render service to the school and the community.

This year the main project of Berry has been to help needy families. The club is divided into six groups, each group having a family to care for. These groups have given the families food, clothing, and various other types of help. During the Christmas season each group gave its family a party.

As other projects during the year, Berry girls rang bells for the Salvation Army and sold peanuts for the March of Dimes. Other organizations that have been aided are the Latin American Center, the Red Cross Blood Center, and the Louie Migel Center.

On the lighter side, Berry members performed in the High Hat and made corsages for Corrigan week-end.

Carolyn Armstrong . . . . . *Treasurer* . . . . . Darlene Standefer

## GROUP I

The membership of the Camera Club includes both amateurs and "experts" in photography, but all members are interested in improving their photographic techniques. Because of increased enrollment during the spring semester, two groups were formed.

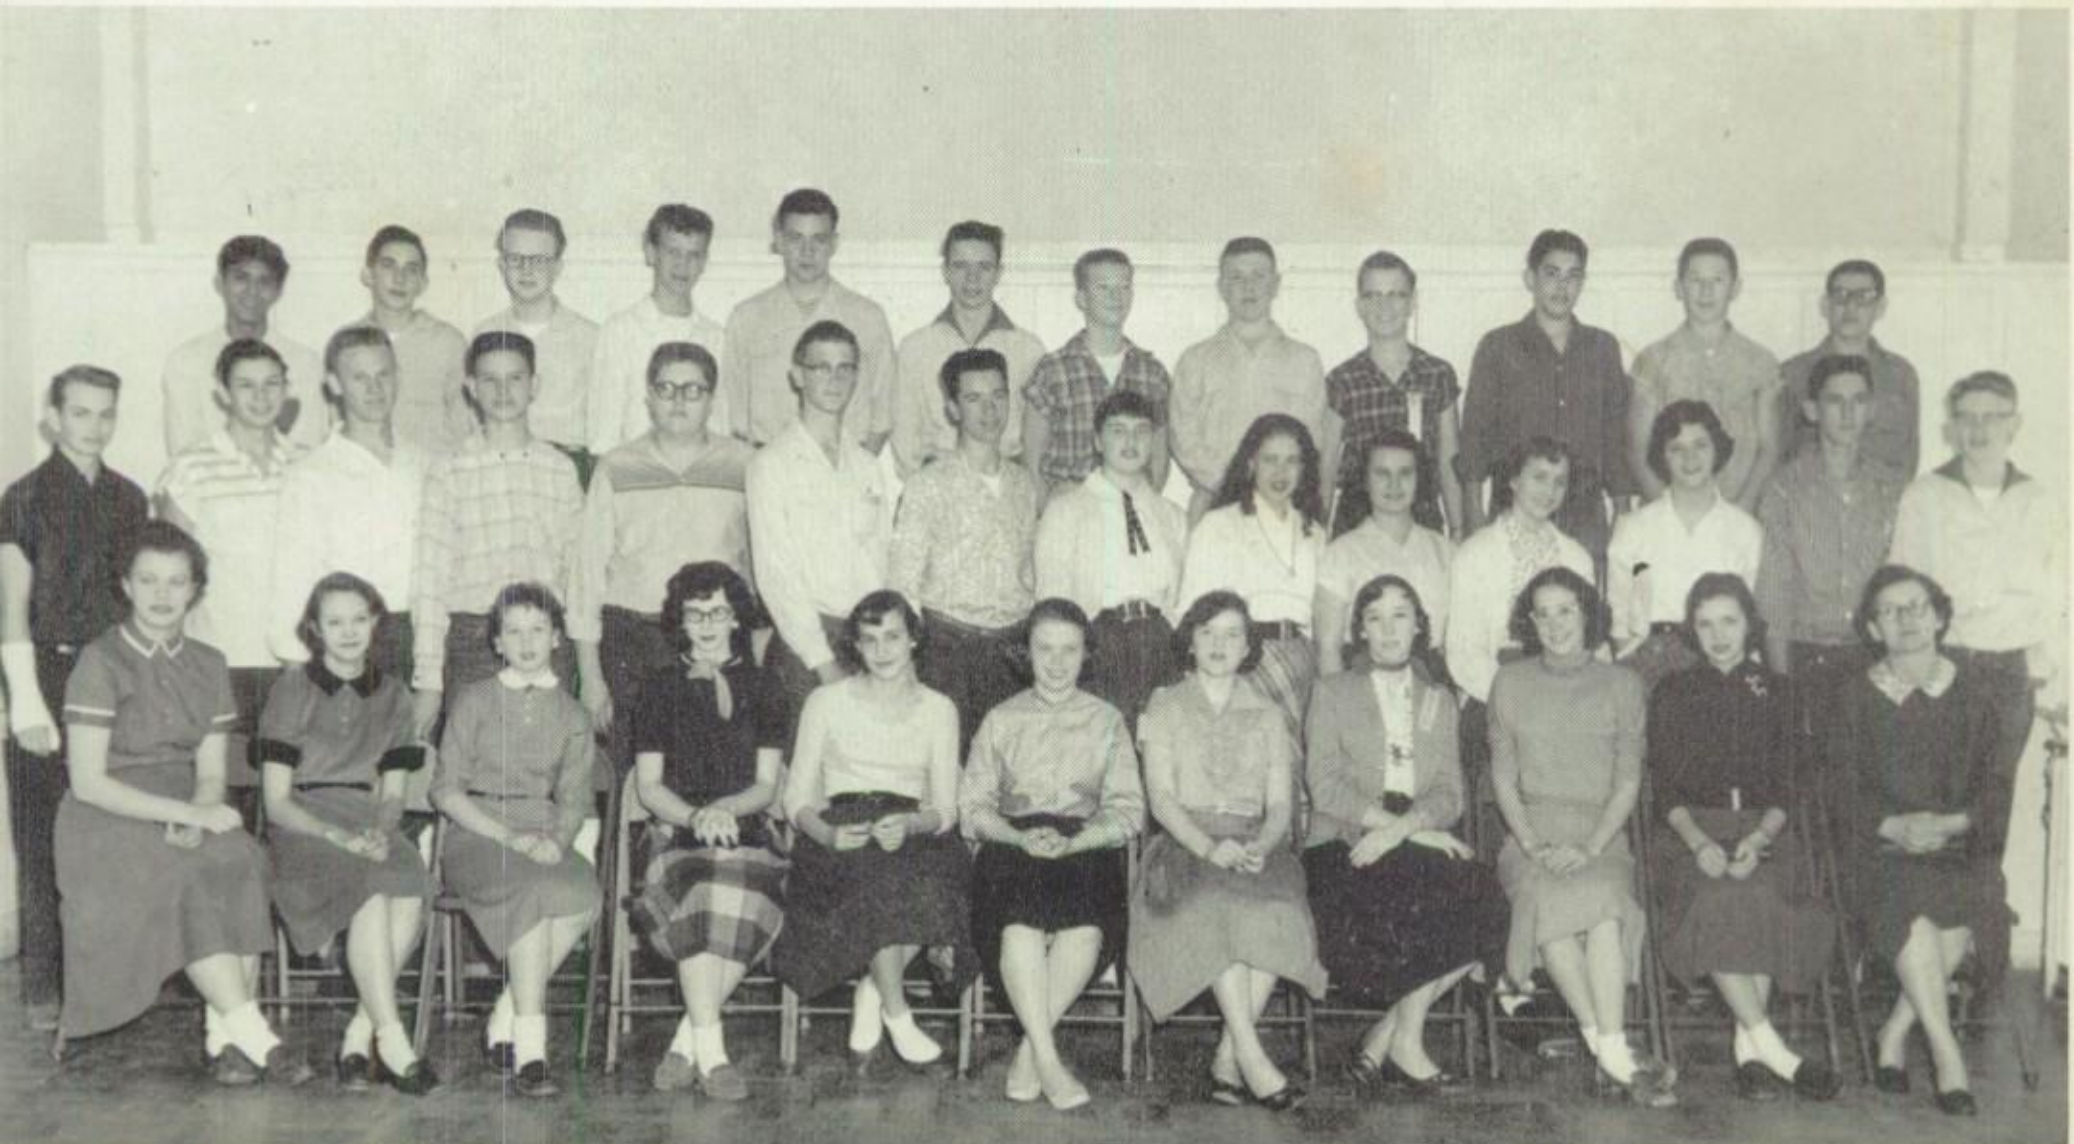

Throughout the year the clubs have had a varied schedule of activities. Members have spent several periods in learning to develop their own film. Movies

and slides made by club members have also furnished several programs. Outside speakers have contributed good hints about making better pictures. Field trips have provided opportunities for making and comparing shots of such places as the old suspension bridge across the Brazos and the Church of St. Francis. During the spring semester, members submitted entries for the National Photographic Awards Contest sponsored by the Eastman Kodak Company.

### SPRING

The origin of chess is lost in obscurity. Its invention has been variously ascribed to the Greeks, Romans, Bablonians, Chinese, Hindus and many others, including King Solomon. The game has probably been played in various forms for five thousand years. Although its origin is doubtful, it is fairly certain that the game was played in ancient times and later periods by men of royal or high estate. It is a game of wits which pits the skill of one player against the skill of another.

The Chess Club of Waco High was organized in

1948 by pupils interested in playing or learning the game. During the semester we, of the Chess Club, conduct tournaments. As a general rule the tournaments work by the process of elimination until a member becomes the champion. Although membership in the Chess Club is not so large as it was a few years ago, the interest of the membership in the meetings remains high. We believe the game will help increase one's ability to think and reason, will build character as well as provide enjoyable recreation. The social activity of the Chess Club was a party held in the little gym.

### SPRING

The Civil Air Patrol, a civilian auxiliary of the United States Air Force, was organized in 1941 to help interest Americans in aviation. The Waco High School club was organized a few years later at the request of a group of pupils who were interested in preparing themselves for membership in the local C. A. P., and the activities of the club are very similar to those of the adult group.

The programs of the club are intended to familiar-

ize the members with C. A. P. activities, aims, and objectives. Many movies are shown, most of them furnished by James Connally Air Force Base. Guest speakers discuss the techniques used in searching for lost planes. By studying pictures, an effort is made to learn to identify all types of aircraft.

Besides the above activities, the club takes part in the general school club program and enjoys the regular social schedule of the other clubs.

To work toward better and more worthwhile service to the school and community was the goal of Darden Service Club this year. This was carried out by dividing the club into three groups. Each group was responsible for feeding and clothing a needy family.

There were also many projects that took the cooperation of the whole club, such as: collecting money for the March of Dimes, dressing dolls for the Evangelia Home, selling flowers for Disabled Veterans, packaging Easter Seals, redecorating the Joyce Stamp Nursery, collecting money for Christmas dinners for the Sal-

vation Army, and taking fruit juice to the Latin American Day Nursery.

In order to include more projects, the club alternated going to the Blood Bank, the Crippled Children's Hospital, and the Evangelia Home.

Earning money with which to carry on these projects was accomplished with cake sales and flu-flu sales.

The year 1955-56 was certainly a busy and successful year for the Darden girls. The club's goal of service was achieved.

To begin its activities, the Distributive Education Club sold football programs at the home games. A little later in the year, dolls were sold. Two parties, successfully planned by Dana Sue Wheeler and Peggy Wilkinson, built up the treasury. These projects financed the annual Employer-Employee Banquet, held April 24 at the Lake Waco Country Club. The banquet, to which all the D. E. students and their employers were invited had as its theme APRIL SHOWERS.

vention in Austin, February 16, 17, and 18. The Waco High Chapter was awarded First Place for having the best scrapbook in the state. As a result, Charles Woodliff, whose ability and hard work made the scrapbook possible, became a delegate to the National Convention in April in St. Louis, Missouri.

Mr. W. D. Hudspeth became the new sponsor of the club in March when Mr. Harold E. Nolte left to take a public relations position with the Waco Public Schools.

A big event in the D. E. year was the State Con-

The English Literary Society meets the second and fourth Wednesdays of each school month, and membership is extended to students whose general average is 90 with a quarterly grade of 97 in English. Permanent membership depends upon maintaining the 90 average.

Programs of literary significance are stressed and those during 1955-56 included glimpses into the life and times in Norway, Samoa, England, and Scotland. Music with a literary background was also used, as well as humorous declamations, readings, and original oratory.

The 1955-56 Field and Stream Club was one of the most active in the history of the club. The outdoor activities consisted partly of a contest between the Seniors and Juniors to determine which class could bag the most ducks during the season. The Seniors won the contest by a narrow margin.

The weekly programs of the club varied from having guest speakers, such as Harley Berg, popular speaker and game warden, Sergeant Anderson of Baylor, a representative of the National Rifle Association, to letting members read material from the club magazine library.

### SPRING

Forsgard started the 1955 fall season with a style show "Meet Me At Seven", using members of the club as models. The group joined the other Service League Clubs to produce "The High Hat", one of the leading socials of the year.

Community service projects included the sale of forget-me-nots and poppies for the veterans, and balloons and peanuts for the March of Dimes. Two members visited the Evangelia Home weekly to provide games and entertainment. Club members made pajamas for the children. They worked at the Red Cross each week; gave clothing and an Easter egg hunt for the children at Walker's Negro Orphanage; sponsored the annual visit to Kiddieland for underprivileged children; and helped

eight needy families with food, clothing and bedding throughout the year.

School service projects included the serving at school sponsored banquets, sale of P.-T. A. Variety Show tickets. The initiates cleaned the trophy case and girls locker room.

The social activities were a hamburger supper given for Key Club at Christmas, luncheons honoring new officers and seniors and a "Come-As-You-Are Party" for the initiates.

The money for these activities was raised through the sale of bookcovers, annual covers, Christmas cards, and cakes.

*The Best*

The Forum Debating Society is one of Waco High School's oldest and most colorful organizations. Each year Forum engages in literary and athletic contests with their time honored rival, Rostra. Points are given in the events and the club with the greatest number at the end of the year becomes the proud owner of a beautiful gold and walnut trophy. In the school year of 1955-56, Forum dominated competition in all events. The members are anticipating winning the trophy. If Forum con-

tinues to win, it will be the second straight year that Forum members have lighted up cigars at the annual banquet, while Rostra has chewed on carrots.

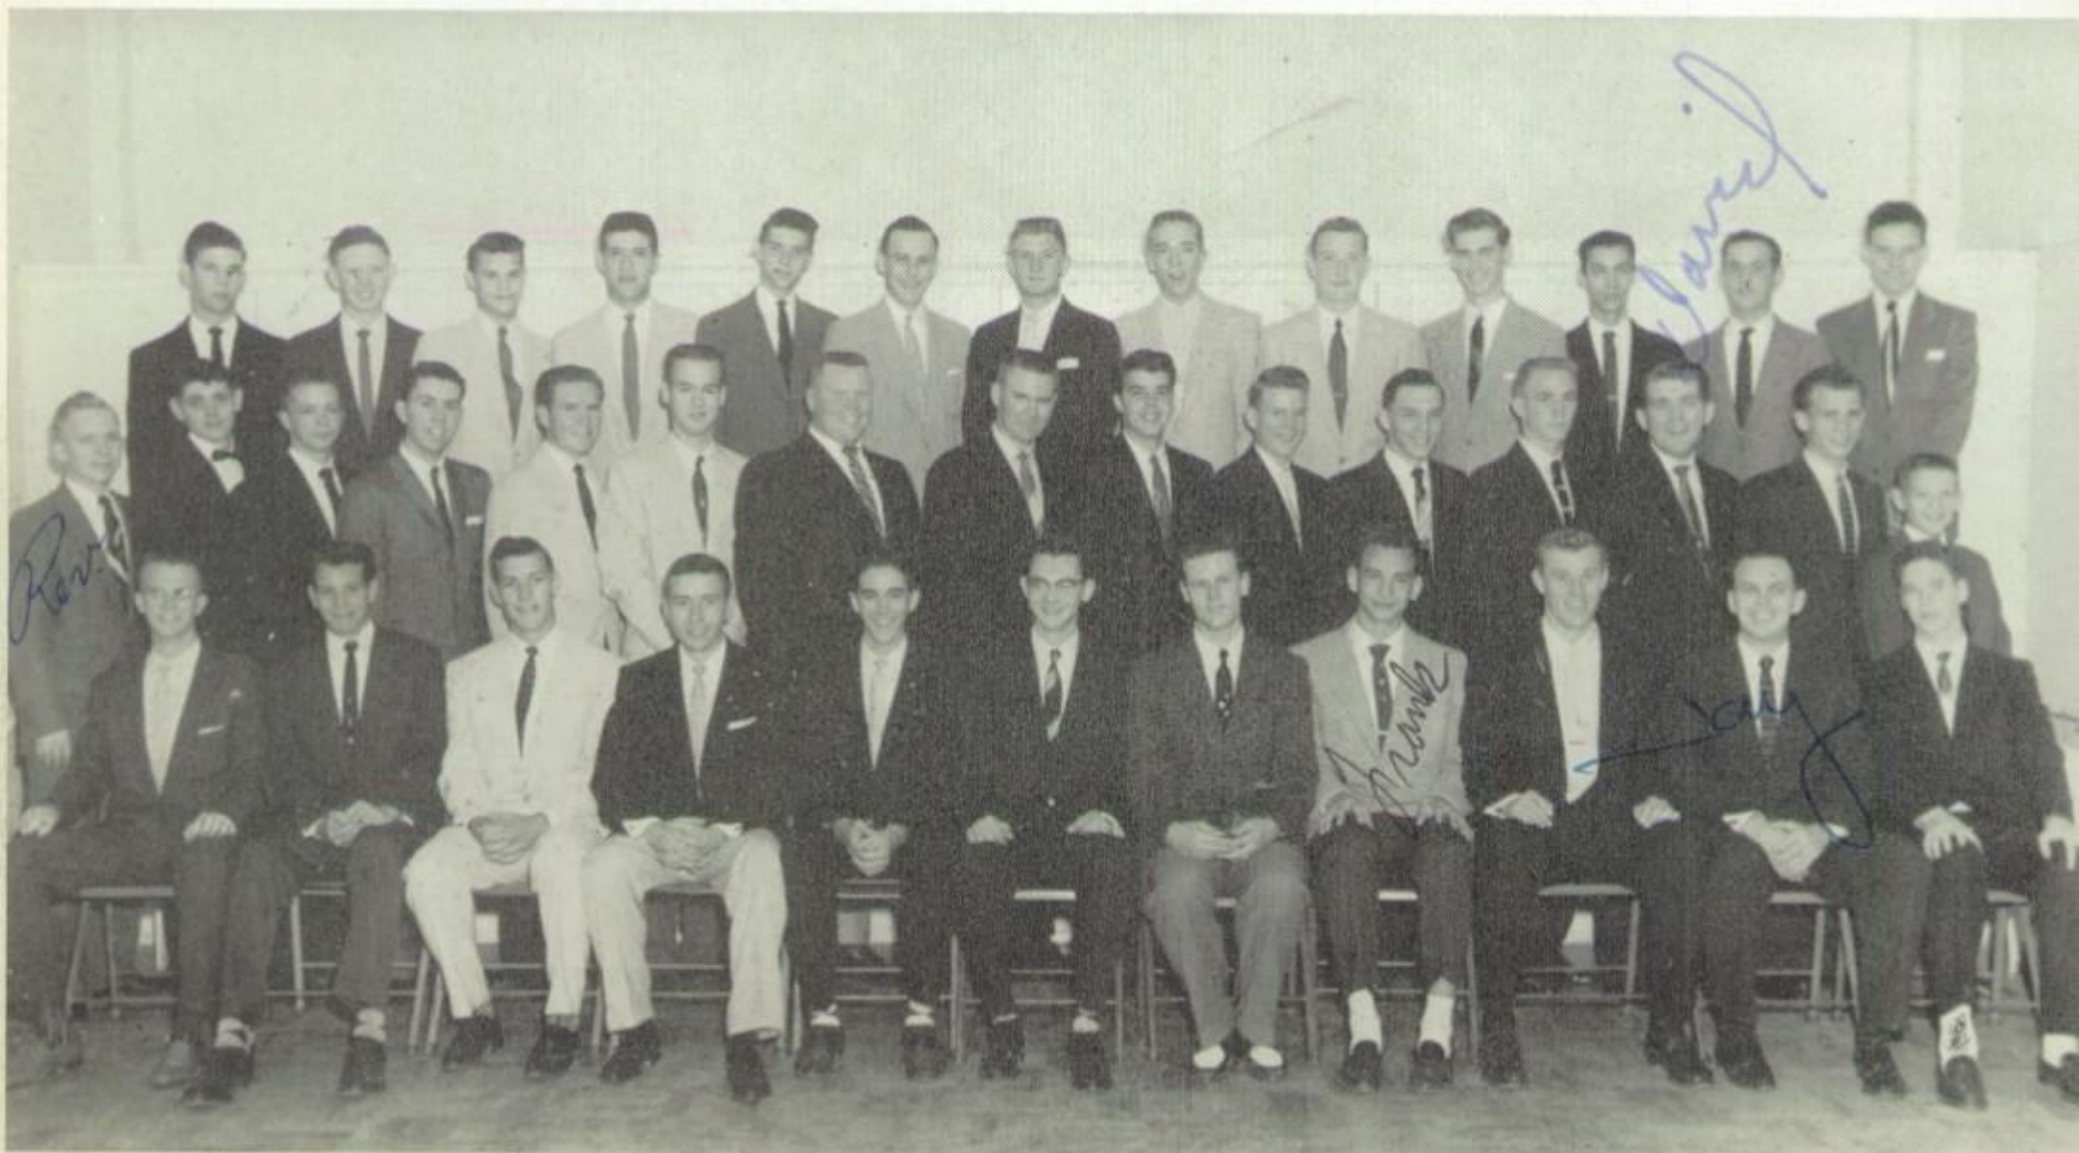

Much of the success of the club should be given to our patient and understanding sponsor, Mrs. David E. Wood.

The seniors of '56 leave Forum with the hope that it shall remain the wonderful club that it has been for the last three years.

### CHAPTER OFFICERS

Row 1: Bray, Howell, Reed  
 Row 2: Lindley, Tongate, Cooper, Buckner

The Waco Chapter of Future Homemakers of America is open for membership to students who are taking or have taken courses in homemaking.

Our chapter is affiliated with the district, area, state, and national organizations. The national organization not only has chapters in forty-five states but in three United States territories.

Waco High School was honored to have Madelyn Tongate hold a District III office this year. Madelyn and Peggy Howell were representatives to the state meeting last year in Galveston. Gerry Storer and Beverly Fox were selected to attend this year's meeting in Fort Worth.

We have had many interesting projects. Each unit held its own cake sale for a money-making project. The Old Ladies Home enjoyed the hospitality of our chapter through a party held for them before Christmas. The F. H. A. girls also helped serve at the T. A. L. A. banquet.

Several girls took part in putting on a play for the District III meeting in Mexia. This program was also presented on television and, later on, the Emblem Service was shown to the television audience.

The Future Secretaries Club was organized in 1948 for the purpose of teaching future secretaries some of the activities and problems of being a secretary. The club has had speakers and demonstrations of business machines, filing, office management and grooming, and methods of getting jobs.

The only requirement for becoming a member of the club is to have completed one year of typing.

The main project of the club is operating the Typ-

ing Bureau, located in room 319. The purpose of the Bureau is to type reports, tests, stencils and other work for teachers and sometimes for student projects. During their study hall period, the girls work with partners, or in groups, for a period of two weeks or a month.

The club is a lot of fun and has two parties a year, one at Christmas and one in May. Twenty-one members are very proud of the work that has been done this year.

The aim of Genheimer Service Club is to render aid in any way to anyone in need.

One of our larger projects this year was the painting and redecorating of Toliver's Nursery. At Christmas Genheimer made stockings, repaired and wrapped old clothing, and bought Christmas gifts for the children at Walker's Orphanage. Two girls went to Jefferson Elementary School every day to supervise recreation and take care of the children.

Other projects included helping the Salvation Army at Christmas, selling peanuts and balloons for the March

of Dimes, serving as hostesses and guides at the Speech Tournament, reading to children at the Evangelia Home, and working at the Red Cross. Genheimer also provided money for feeding fifteen under-privileged school children for two months.

The main money-making project was the Genheimer Revue. It was also given for the Library Convention. Other money-making projects included a coat hanger drive and cake sales.

The social functions of the club consisted of two formal initiations and a luncheon.

Since its organization in the fall of 1951, the Waco high school Golf Club has become one of the most active and successful clubs in school. The purpose of the club is to create golfing interest among the students and to teach etiquette on the golf course. The members meet at school on regular club days for business sessions and hold scheduled play each Saturday morning at Ridgewood Country Club, a courtesy extended to the high school members.

As an added project, the club holds invitational tournaments with other high school clubs in this area and

awards trophies to outstanding players and winning teams. It also engages in play with the teams in the Interscholastic League. This year Waco was the host to all teams in this section for practice meets but the District Meet was officially held in Corsicana on April 14.

The following committee chairmen were appointed to serve the club during the year: Handicap, Tommy Henderson; Reporter, Gary Creasey; Tournament, Arnold Manske; Membership, Jay Farrar; Social, Mickey Murry; Prize, Edward Shelby.

### SPRING

Waco High School Chapter of National Honor Society was established in 1940. Prior to the spring of 1956, membership in this organization was open to fifteen percent of the Senior Class, but the constitution was amended to allow members of the Junior Class to become eligible for membership. These students must have maintained an average of 94 for their two years or one year in Waco High School, and must possess outstanding qualities of character, leadership, scholarship, and service.

In October twenty-one students were initiated in a

formal assembly with Johnny Tristan presiding and Mr. Don Howell as guest speaker. In February a formal initiation for twenty-eight members was held with Robyn Baker presiding. Guest speakers for this occasion were Mr. E. N. Dennard and Mr. Thomas L. Ware. Following the assemblies the initiates and their parents were honored with a reception by the Homemaking Department.

The service project of the society is assisting with the tutoring of those students who request such help.

# NEWCOMERS

## NEWCOMERS CLUB

*Sponsors:* MISS GRACE HAMILTON

10B HOMEROOM TEACHERS

President .....	Jack Odell
Vice-President .....	Kathy Tonahill
Secretary .....	Lanetia Smith
Treasurer .....	Mike Stogdill

The membership of the Newcomers Club is made up of all the first-term 10B's in Waco High School. The club functions only in the fall semester. It's purpose is to help the newcomers become familiar with the traditions, customs and regulations of the school, and to get acquainted with its organizations, student leaders and faculty.

The organization of the club is accomplished with the help of committees representing all the 10B homerooms, and the programs are planned and presented by these homeroom units. At each meeting representatives from two or three of the other school clubs appear before the Newcomers, tell about the activities and prerequisites for membership of their clubs, and make a bid for new members.

Toleration and friendly cooperation are stressed in the Pan American Student Forum, a state organization affiliated with the Good Neighbor Commission of Texas. A yearly project is to raise money for a scholarship fund to aid Latin American students in American Colleges.

Group 1 of the Waco Chapter is a Thursday Club, and has activities of a varied nature. Programs include speeches, films, music and quiz programs, plays, and con-

certs, the objective being to develop an appreciation and understanding of Latin American culture, and a more tolerant attitude for our Latin neighbors to the south.

The culmination of the year's program is the state convention, which is held in Austin during April of each year. There, contests of many descriptions are held, and outstanding speakers are heard. Waco High expects to be well represented this year.

Group II of the Waco High School Chapter of Pan American Student Forum is composed of members of the Spanish classes. Their purpose is to promote friendship in the Americas. Meetings are held monthly in the classes with a variety of programs, including student talent, films, and outside speakers. The programs this year were based on the theme suggested by the State Program Committee:

Good Will and Friendship cannot be bought;  
 Education and Understanding should be sought.

Some of the worth-while projects for 1955-56 include donation to the Tampico Relief Fund and to the Myrtle L. Tanner Scholarship Fund. Many members expect to attend and participate in the annual convention to be held on April 27 and 28 in Austin.

The Personality Development Club was organized to assist girls in solving problems concerning personal grooming, manners, dating, clothes for different occasions. One of the most important functions of the club is to encourage the girls to develop poise and assurance in dealing with others.

The girls assist in program planning, and include as

their selections group discussions, movies, outside speakers, and panel discussions. There are three sections of this club at present and several joint meetings are held so that all may benefit from group suggestions and ideas. Each section assumes the responsibility of the program twice during the semester. The remainder of the meetings are individual ones, climaxed by a party at the end of the semester.

The Press Club, exclusively for students of Journalism, meets on the first Monday of each month, usually in the home of one of its members.

The programs center around the discussion of various phases of newspaper work. Speakers are chosen from the staffs of the News-Tribune, Times-Herald, the local

television stations, the Baylor University School of Journalism, or from one of the local advertising companies.

The last meeting of each semester is a Quill and Scroll banquet. At this meeting the new members are initiated and are presented with pins of the society.

### SPRING

This year many new members have joined our organization. Their interest and participation have been enjoyed by everyone. After all, they have behind them a great record of accomplishments set by Rostra in Waco High School since its organization in 1914. The purpose of Rostra Literary Society is to further the art of public speaking.

The club programs, and initiations were well planned. Several inter-club contests, such as public reading, essay writing, declamation, radio speaking, extemporaneous

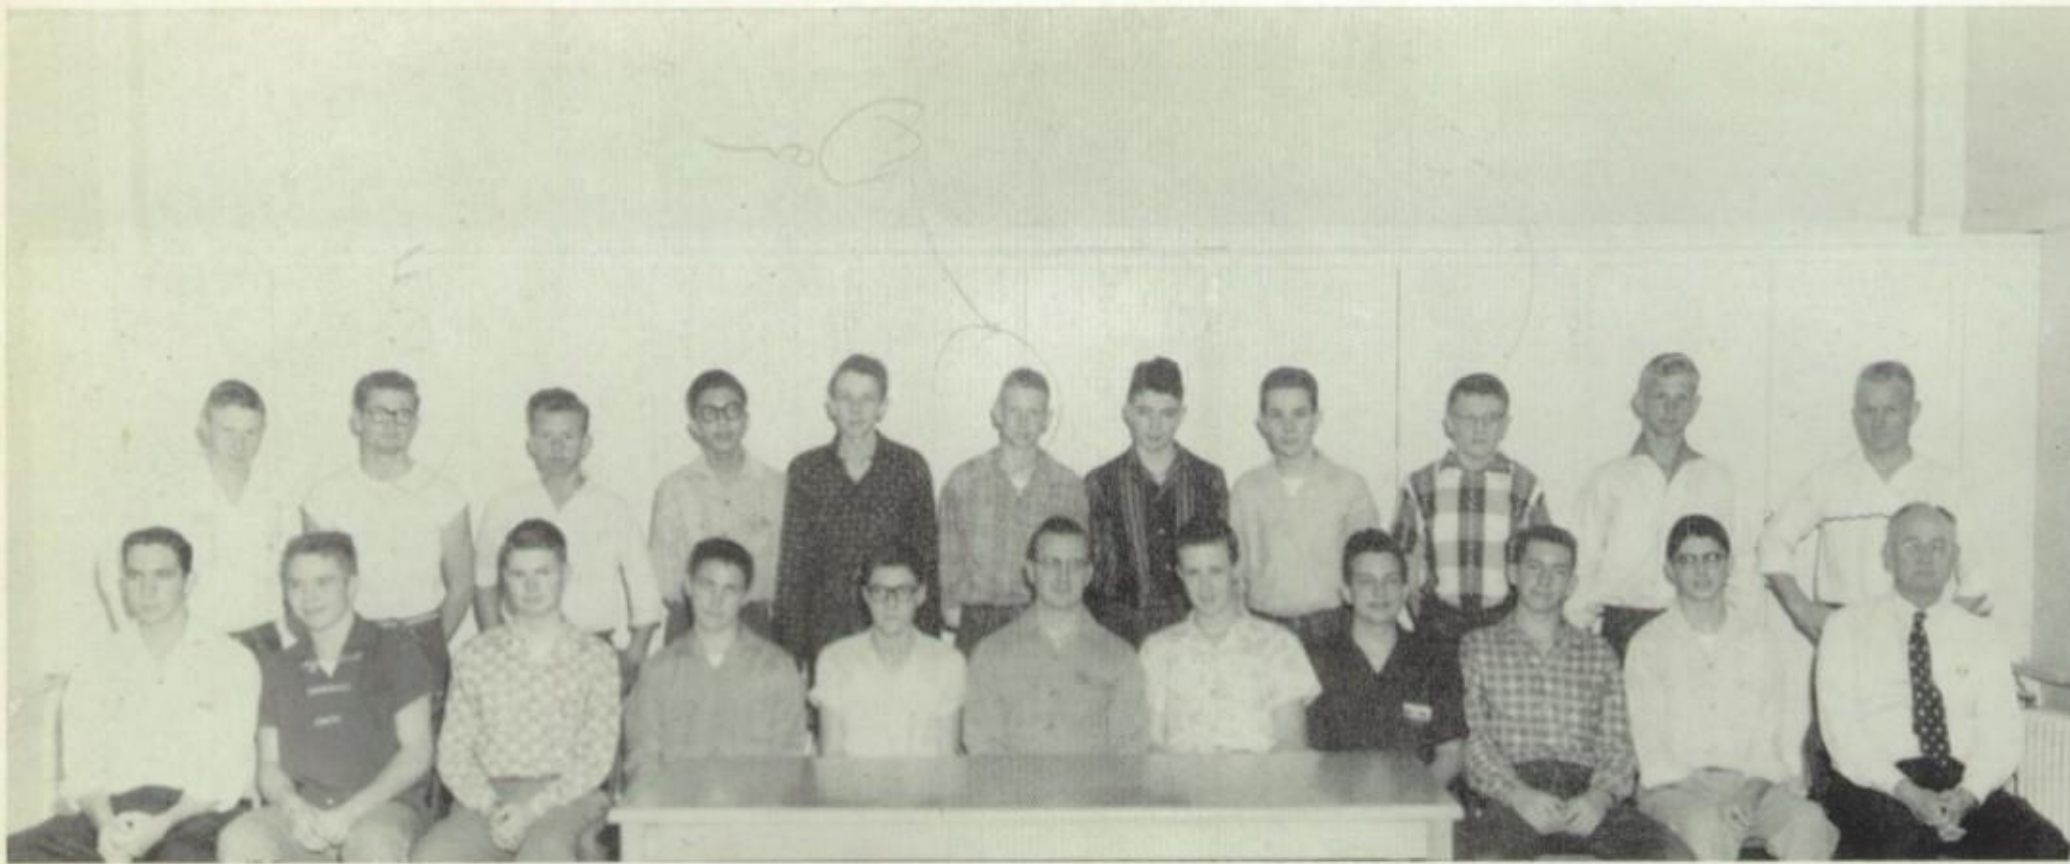

speaking, and debate were judged by several teachers on a point basis. Rostra has hopes of winning the inter-club trophy which was purchased by Rostra and Forum Debating Society in memory of Stan Skyles, a member of Forum who was killed during the tornado.

Rostra has co-operated with Darden, its sister club, in aiding the Salvation Army and painting a nursery.

A steak fry, which was enjoyed by all, was held in April. The annual inter-club banquet climaxed a fine year.

The Science Club was organized for those students who show more than an average interest in science and who are interested in advancing their knowledge by exchanging ideas with their fellow members. The goal of the Science Club is to provide a place for the exchange of those ideas and to assist those scientifically inclined students in their outside study and experimentation.

### SPRING

The Square Dance Club is completing its sixth year in Waco High School. Its purpose is to teach the fundamentals of square and folk dancing to students and to create such an interest in its members that they will enjoy participating in square dancing for recreation in adult life.

The Square Dance Club of Waco High meets on

Thursdays, and is open to any student who is 10A or over. Usually the club period is devoted to dancing, with all members taking part. Mr. Jack Price is the "caller."

The meetings are thoroughly enjoyed by all the members, who think that they have one of the most entertaining clubs in school, as well as one that will contribute to their leisure activities in later years.

 Wanda Culverhouse . . . *Secretary-Treasurer* . . . . . Illyne Korenek

The Voice Club draws its members from those pupils who wish to gain experience in doing solo work. Participation on club programs gives the members an opportunity to acquire poise, self-confidence, and a pleasing stage presence.

Each member of the club performs a solo of his choice at least once each semester, with the club serving as a clinic group. The club also served as a critic group for the solo performers in the operetta, "The Lowland

Sea," and for the solo contestants in the Interscholastic League Music Contest.

Members of the Voice Club frequently appear on programs in other clubs, thus contributing to the overall school program, as well as gaining further experience.

Several guest speakers and performers filled out the schedule of programs for the year. Their first hand information gave to the group excellent insight into the training, responsibility, pleasure, problems, and benefits that come with solo vocal performance.

Row 1: Gillam, Claunch, Chandler, Larrew, McDonald, McCrary, P. Jones, Weddington, Fletcher

Membership in Y-Teens is open to any high school girl, but she must maintain the required degree of service to remain a member.

As a service to Waco High School, each Y-Teen is in charge of the Girl's First-Aid Room during her study

hall period. Other projects for a member include work for Providence Hospital and the Red Cross. This year the main school project was re-decorating the First-Aid Room.

As TOMMY PATTERSON was driving down a country road, a pig ran out in front of the car, and was run over.

The farmer saw the accident and was quite understandably annoyed, and vigorously protested the loss.

TOMMY was apologetic. "I'm sorry, sir," he said; "I'll replace the pig."

The farmer smiled wryly, and said, "You flatter yourself."

MISS WHITELEY had told her class that Milton, the poet, was blind. The next day she asked if any of them remembered what Milton's great affliction was.

"Yes'm," replied STEVE HARRUP, "he was a poet."

"I don't want to scare you," said MR. CARL PRICE'S seven year old son to his teacher.  
"But my daddy says if I don't get a better card, somebody's gonna get a spanking!"

—●—

"I beg your pardon, ma'am," said the clerk courteously, "What is your name?"  
"Why," sputtered GRACE TARVER who had just cashed a check with a flourish, "don't you see my signature?"  
"Yes, ma'am, that's what aroused my curiosity."

Dear Don  
It's been great knowing  
you this year. Best of luck  
in everything you do.  
As always,  
Darlene Barnett

Don -

It's been great  
knowing you and  
I wish you all  
the luck and  
happiness in the  
world. God bless  
you.  
Andrea Sanders

Dear Don,

Practice real hard,  
Keep your nose to the  
grindstone - always keep  
your objective in mind  
and someday you will  
be able to play poker as  
well as me.

Frank  
Jury

Don: It's been great  
being Rostra with you  
the past year. Good  
luck to you in the  
future.  
George Miller

## *The Advantages of A High School Diploma*

A high school diploma makes for better jobs.

A high school diploma is required for entrance into college.

A high school diploma makes the graduate's future more secure.

A high school diploma contributes to the graduates self respect.

A high school diploma is another step toward success.

*A high school diploma will patch the holes in your ~~old~~ shoes.*

"Hey, you can't go up that street—it's one way," said a friend.

NORMAN SMITH replied, "I know it—I'm only going one way."

"Three Boy Scouts were at a Scouts' meeting and told the scoutmaster they had done their "good deed" that day.

"Well, boys, what did you do?" asked the scoutmaster.

"We helped an old lady across the street a little while ago," claimed the boys in unison.

"And did it take all three of you to do that?" asked the master suspiciously.

"Oh, yes, it did!" again chimed the boys. Then JOHN JEANES added, "She didn't want to go."

Quality  Checkd

Through the  
years, you can  
be sure of  
these symbols  
of quality.

BARBARA BARTLETT: "Why is your cat so small?"

MARY JANE HANEY: "I feed him condensed milk."

JOEY RATZMAN was forever pestering his father with embarrassing questions until finally the harassed parent told him that curiosity once killed a cat.

JOEY'S eyes opened wide in alarm and he was quiet for a second or two.

However, his parent's elation was short-lived when JOEY quickly popped out with, "What'd the cat want to know?"

MRS. MILLS: "I wonder why KAROLYN WELLS brings her homework to every meeting?"

ANN DUDGEON: "It gives her something to think about while she talks."

RITA WHITE: "I could go to the bank and get the money out."  
CHRISTINE DOLLINS: "Why don't you?"  
RITA: "I'm afraid they'll catch me."

SHARON COCHRAN: (answering the phone) "Hello."  
Voice: (at other end) "Hello, is Boo there?"  
SHARON: "Boo, who?"  
Voice: "Don't cry little girl. I must have the wrong number."

TERRY SMITH: "A tramp came up to me and said he hadn't had a bite in two weeks."  
DARLENE BLAND: "What did you do?"  
TERRY: "Bit him, of course."

MRS. LEWIS (on phone): "You say ROY LIPSCOMBE has a bad cold and can't come to school? Who is this speaking?"  
Voice (hoarsely): "This is my father."

Grandfather: "How do you like going to school, LINDA?"  
LINDA WILLIAMS: "I like going, all right, and I like coming home, to. But I can't stand staying there between times."

RONNIE COWAN: "I came in because I read your ad for a man to retail canaries."  
Proprietor: "Oh, yes, are you experienced in that line?"  
RONNIE: "Well, no. I just wonder how the canaries lost their tails."

It was open school week and the proud mother was speaking to the teacher. "My child, MARGARET METZ, is a genius. She has many original ideas, hasn't she?"

"Yes," replied MISS GAYLE, "especially when it comes to spelling."

—•—

"Archimedes," read PAT BENNETT aloud, "leaped from his bath shouting, 'Eureka! Eureka!'"

"One moment, said Miss Osborn. "What is the meaning of 'Eureka'?"

PAT: "It means I have found it."

MISS OSBORN: "Very well. What had Archimedes found?"

PAT hesitated, then ventured, hopefully: "The soap?"

SALLY BOND, a daughter of a clergyman, was sick and put to bed early. As her mother was about to leave, she called her back. "Mother, I want to see my daddy."

"No dear," her mother replied, "your daddy is busy and must not be disturbed."

"But, Mother," SALLY persisted, "I want to see my daddy."

The mother still replied, "No, your daddy must not be disturbed." SALLY was even more determined, declaring emphatically, "Mother, I am a sick woman, and I want to see my minister."

MR. GARDNER: A question on a physiology exam read: "How may one gain good posture?"  
MILTON KER chewed on his pencil, then wrote: "Keep the cows off it and let it grow a while."
